Official Record of Proceedings

Indianapolis, Ind., October 4, 1927.

The Grand Lodge Knights of Pythias, Grand Domain of Indiana, met in the auditorium of the Indiana Pythian Building at Indianapolis on the above date for the Fifty-ninth Annual Convention and was called to order by Grand Chancellor Louis B. Elmore at 10:00 o'clock a. m. The Grand Lodge was opened in full ritualistic form in the parlors of the auditorium, after which the Grand Lodge officers assumed their stations in the auditorium and the regular business of the Grand Lodge was commenced.

The Grand Keeper of Records and Seal called the roll of Grand Lodge officers, living Past Grand Chancellors, standing and special committees, Supreme Representatives, Grand Tribunes, Deputy Grand Chancellors and was proceeding to call the roll of Grand Representatives when a motion was duly made, seconded and carried to suspend the further calling of the roll inasmuch as a quorum was present.

The Grand Lodge officers were all present and at their stations as follows:

Grand Chancellor—Louis B. Elmore.
Grand Vice-Chancellor—Dolph E. Farr. .
Grand Prelate—Samuel L. Trabue.
Grand Keeper of Records and Seal—Carl R. Mitchell.
Grand Master of Exchequer—Henry Kammerer.
Grand Master-at-Arms—Charles S. Loy.
Grand Inner Guard—Levi Hooker.
Grand Outer Guard—Roy M. Bates.

The report of the Committee on Credentials was read by the Grand Keeper of Records and Seal:

Document No. 1.

To the Grand Lodge Knights of Pythias, Grand Domain of Indiana:

Brothers—Your Committee on Credentials respectfully reports that we have examined the credentials of representatives elected and appointed by the respective subordinate lodges, as evidenced in the semi-annual reports for the term ending June 30, 1927, and find said credentials to be in proper form. We recommend the admission of said representatives, and that they be paid mileage and per diem for their attendance at this convention of the Grand Lodge.

We have examined the credentials of other members claiming to be entitled to receive the Grand Lodge Rank by having attained the honor of Past Chancellor by virtue of service as Chancellor Commander for one term in their respective lodges, or by election at the institution of a new lodge, or who have served five years as Master of Finance, Master of Exchequer or Keeper of Records and Seal of their subordinate lodge, as required by the Supreme Lodge Statutes, or who have filed Credentials of Honor from other Grand Domains, and we find that such credentials agree with the semi-annual reports for the terms ending December 31, 1926, and June 30, 1927. We therefore recommend that such members be admitted and seated as members of this Grand Lodge.

Respectfully submitted,

READER SMITH,
CHAS. E. BELL,
ROBERT E. CUNNINGHAM,
Committee on Credentials.

On motion, duly seconded, the report was adopted.

The Grand Lodge Rank was then conferred upon those Grand Representatives and Past Chancellors who had not previously received the same.

The Grand Keeper of Records and Seal commenced the reading of the Official Record of Proceedings of the last convention when a motion was duly made, seconded and carried to approve the record as printed without reading.

The Grand Keeper of Records and Seal officially submitted the printed reports of the Grand Chancellor, Grand Keeper of Records and Seal, Grand Master of Exchequer, Building Manager, Grand Lodge Trustees and Pythian Home Committee, the same having been printed and sent to all lodges and official members of the Grand Lodge in accordance with the Grand Lodge statutes:

Report of Grand Chancellor

Monticello, Ind., September 1, 1927.

To the Grand Lodge Knights of Pythias of Indiana:

Dear Brothers:

The time has arrived for me to give an account of my stewardship to the members of this great Order. As I look back over the activities of the year I see many things that could have been done. In some of these your Grand Chancellor may have been weak, but in many cases it was because of the lack of interest in the membership. A Grand Chancellor can do but little if he does not have the loyal, true-hearted support of each member.

I am not complaining, nor am I trying to lay the blame at anyone's door. But, oh! there could have been so much more accomplished if each member and each lodge had put their shoulder to the wheel and pushed.

I can point with pride to many lodges that started in with a real determination to do something for Pythianism, and these lodges have enjoyed a prosperous year and will show a fine gain in membership, while some that have sat around, looking at the moon and howling, are still howling. My brothers, it takes more than looking at the moon and howling to make a prosperous lodge. But I will say frankly, if your lodge is dead, it is your fault. One of two things: you will not work, or else you will not let the others work. Put yourself under a magnifying glass (if you can find one strong enough) and see just what kind of a Pythian you are. Say to yourself: "What kind of an Order would this be if each member were like me?"

Oh, my brother, if you believe in the "Fatherhood of God and the brotherhood of man," if you believe that we are "our brother's keeper," if you believe in the practice of Fraternity, I appeal to you as a Pythian, to do something each week for this great Order, that it may grow and continue to advance in the great spirit of Friendship, Charity and Benevolence.

The Grand Lodge.

As a whole, I firmly believe that the Order is in better shape today than it has been for some time. I believe the records will show there have been more members reinstated and more initiated than for some years back. Yet we have failed to stop the loss by suspension. A little more attention of the officers of the lodge to this condition will do much to stop it.

The financial affairs of the Grand Lodge are in some better shape than a year ago, and with some care in making the appropriations there is no need of increasing our per capita tax. But under no circumstances should it be reduced. With a firm belief that we need it all, but that it is adequate for our needs, I recommend that the per capita tax be not changed for next year.

Pythian Extension.

There has been some change in the method of extension. Our committee, after watching results of our field deputy, were convinced that the Grand Lodge was not getting a return for the work done and the money expended. I wish to say, right here, that this condition was not the fault of our field deputy, Brother M. C. Baumgartner. He did all that mortal man could do and did it well. It has never been my privilege to work with a finer Pythian, a more honest or upright man, and to know Brother Baumgartner is to love him. But he was not receiving the co-operation and support from the lodges that would enable him to do a real service to them and to the Order.

No stranger can go into a community and do that lodge much good without help from the members. At many places he could get no assistance and, after spending money and time, was forced to look for a more fertile field. Until this condition can be improved, I believe a different method of extension should be planned.

District Meetings.

All but four district meetings were held early in November and December, these four coming in early January. Most of these were splendid meetings, yet I wondered, sometimes, just what real good had been accomplished. I feel that a new "order of business," original and up-to-date, for our district meetings should be written in our statutes.

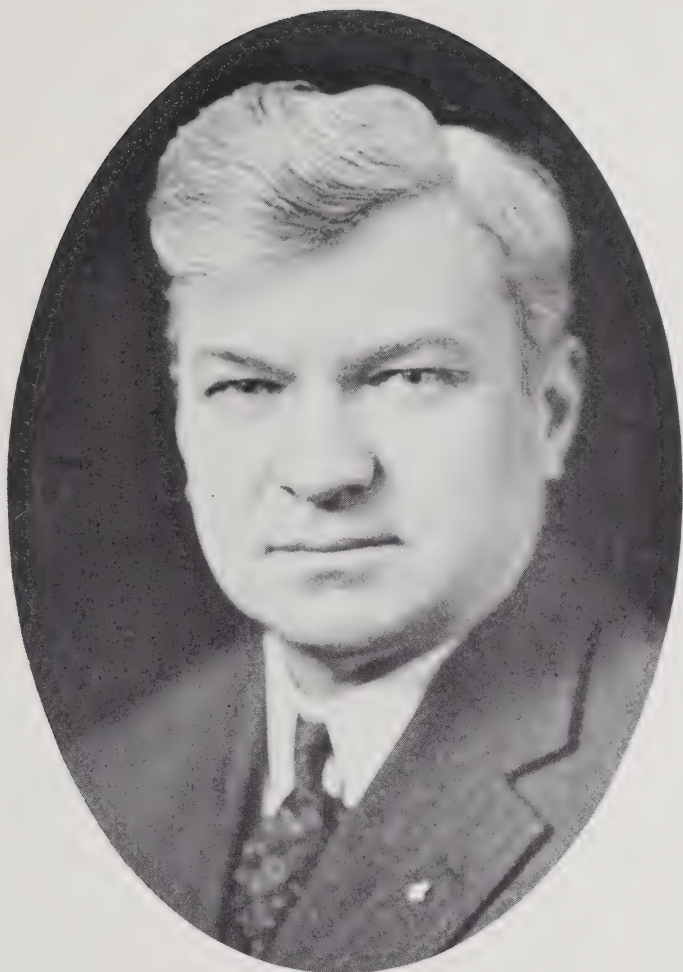

Pythian Sisters.

If there ever was a real asset to a subordinate lodge, it is a real live Pythian Sisters Temple, yet we have 450 lodges and only 238 temples. If there is no temple in your community, organize one; and, if the one you have is weak, rally to the support of this worthy cause. This organization is not only self-supporting but is doing a wonderful work for the orphans of our deceased brothers. Let's show them that we realize this work by giving them all the help possible.

Uniform Rank.

I am glad to say that the Military Department is increasing in membership, and as an Order, we need them. They are a real advertisement and demand attention wherever you see them. I want to here and now express to Major General Samuel L. Trabue, General Wm. B. Gray, and to each member of his staff and each member of the Department, my sincere appreciation for the loyal support they gave us in dedicating our Pythian Home. Their attendance was splendid and their work beautiful.

The Uniform Rank was officially recognized by the Supreme Lodge fifty years ago and shortly thereafter became a constitutional rank of the Order. Lafayette Division No. 1 was organized in 1878 by P. S. R. James R. Carnahan, who, in 1882, organized the Grand Division of Indiana and became its first Commander. Thereafter in 1884 the Department was reorganized on the plan of the United States Army with Supreme Chancellor John Van Valkenburg as Commander-in-Chief and James R. Carnahan of Indiana as the first Major General, in which

DOLPH E. FARR

capacity he served until his death in 1905, a period of twenty-one years.

Major General Arthur J. Stobbart was in command from 1906 to 1914, Major General William H. Loomis from 1914 to 1924, and our own Grand Prelate, Samuel L. Trabue, was appointed in 1924 and is now serving his second term as Major General.

General William B. Gray is the ranking Brigade Commander of the Supreme Domain, having served continuously for a period of sixteen years. His is a splendid record of Pythian service and he is loved and respected by his entire command.

It is fitting, indeed, that the memorial to General Carnahan is now being erected on the Indiana Pythian Home grounds where it will be an inspiration to our boys to emulate the illustrious founder of the Uniform Rank.

The Uniform Rank has not only exemplified that greatest of all Pythian virtues—Loyalty—by Pythian service, but the members have responded to their country's call in every emergency and Indiana Pythians are justly proud of its half-century of achievement.

Officers' Conferences.

In December the Supreme Chancellor called a meeting in Kansas City of the Grand Chancellors and Grand Keepers of Records and Seal of several Domains, and it was the unanimous opinion of all that much good was accomplished.

With the inspiration of this meeting still swaying our thoughts and actions, Brother Mitchell and I immediately planned twelve meetings, calling them Officers' Conferences. These were held as follows: Lafayette, January 31; Peru, February 1; Fort Wayne, February 2; Michigan City, February 3; Muncie, February 7; Madison, February 8; Greensburg, February 9; Indianapolis, February 11; West Baden, February 14; Vincennes, February 15; Terre Haute, February 16; Bloomington, February 17.

These meetings were well attended, with enthusiasm running high and wild. Things vital to every lodge were discussed and definite plans of action decided upon. The officers who are responsible to their lodge for its activities were there, and all present pledged their loyal support and co-operation in getting these plans into immediate action. Many lodges have made remarkable progress because of the inspiration received at these meetings. I am sure the verdict of all is that these meetings did more good than any series of meetings that have been held for some time. I heartily indorse the continuance of these meetings.

Rank of Knight Contest.

You are all familiar with the contests that were held this winter. The last lap of these will be finished on Tuesday night, during Grand Lodge. These started with a county contest, then a district contest between the winners of the counties.

The following are the winners of the districts:

1. St. George Lodge No. 143, Evansville.
2. Worthington Lodge No. 253, Worthington.
3. Salem Lodge No. 96, Salem.
4. Greensburg Lodge No. 148, Greensburg.

5. Paul Revere Lodge No. 374, Terre Haute.
6. Crescens Lodge No. 33, Newcastle.
7. Stones Crossing Lodge No. 464, Stones Crossing.
8. Frankton Lodge No. 315, Frankton.
9. Thorntown Lodge No. 124, Thorntown.
10. Anchor Lodge No. 289, Brookston.
11. LaFontaine Lodge No. 211, LaFontaine.
12. Auburn Lodge No. 191, Auburn.
13. Mishawaka Lodge No. 453, Mishawaka.
14. Remington Lodge No. 58, Remington.
15. Camden Lodge No. 332, Camden.
16. Vevay Lodge No. 149, Vevay.
17. Franklin Lodge No. 22, Bloomington.

Then followed a district rally with each of the winners in the district contest. At this meeting the team was presented with a loving cup with the name of each member of the team engraved on the cup. This was a prize for winning the district contest. The Third Rank was then given before judges to determine the two best teams in the State. The result was that Stones Crossing Lodge No. 464, Stones Crossing, made the highest score, with a score of 95.5; Werthington Lodge No. 253, Worthington, and Anchor Lodge No. 289, Brookston, tying for second place with a score of 95.3.

These are wonderful teams, and I am sure it will be well worth the time of every Pythian to see these three super Third Rank teams give this work on Tuesday night, October 4, when the champion team will be declared.

In my opinion, this contest has been of untold benefit to each lodge that entered the contest, and my only regret is that each lodge did not prepare a team and enter. Should this be continued, I hope each lodge will enter and make an honest effort to win.

D. O. K. K.

The Dramatic Order Knights of Khorassan, familiarly known as the Sunshine Boys or the Dokeys, continues to be a virile and valuable Pythian auxiliary. Indiana has two temples, Shambah at Indianapolis and Tirzah at Evansville. There has been a constant and diversified activity during the year in the former, and, I am informed, the Evansville votaries are likewise a live bunch. Many Pythian Knights are members of Dokey Temples across the line in other states, and I have no statistics as to the total Dokey membership in this Domain.

The organization of either a Temple (200 members) or a Crescent (100 members) is under way in northern Indiana at this time. It will be located at South Bend and members of a number of lodges are participating.

No expenditures have been made from the special D. O. K. K. appropriation made last year for the reason nothing along this line has been feasible.

Our Insurance Department.

One of the most satisfying conditions in the Grand Domain of Indiana, as viewed by your Grand Chancellor, is the evidence of Pythian duty exemplified in what is being done to care for the widow and orphan and to give those who meet a great tragedy a fair and reasonable opportunity to share in the bene-

fits derived from the membership of the husband and father in this great American fraternity. During my term of office the Pythian Home activity has been magnified. I do not desire to take away from this accomplishment any of its distinctive glory, yet I do desire to say that there is another Pythian issue of great magnitude which relates perhaps as much to our homes and our loved ones as does even our beautiful Home on the wooded hills of Lafayette.

Indiana is to be congratulated that nearly seven thousand members of this Grand Domain have realized just what our Order has done to give all of us an opportunity for home protection. These brethren have Pythian insurance protection amounting in round numbers to nearly eight million dollars. It is a source of great pleasure to me to know that Pythian households in Indiana have this great amount of money ready to be released to aid the widows and children at a time when immediate cash will be most needed. Indiana ranks second in all Grand Domains in its patronage of our Insurance Department. This is, of course, a source of great satisfaction to the officers and leaders of the fraternity in this State. It simply means that when death comes to the doors of these 7,000 Pythians, no matter what their financial condition, the families will receive immediately a definite sum in cash to meet their requirements until time gives opportunity for readjustment of their conditions.

Our Grand Domain is to be congratulated that one of its own members for the past twelve years has been at the head of the Insurance Department.

I want to give you just one practical evidence of the relation of our Insurance Department to the Domain of Indiana. From January, 1926, to June 1, our Department distributed approximately \$300 every day among Pythian dependents in this Domain. It paid out in settlement of claims during that time \$54,700. Last year the distribution amounted to approximately \$86,000 and during the last half-century its distribution has been on an average of nearly \$100 daily for the fifty years since its organization. The total paid to Pythian dependents in the Grand Domain is \$1,702,355.

Our Department recently celebrated its golden anniversary. It was first founded in Indiana. It has been located in our Domain for nearly a quarter of a century. Indiana Pythians have given largely to its growth and development. Such men as C. F. S. Neal and Union B. Hunt, both loved because of their leadership and devotion to the Order, helped to build this great home-saving station of our Order. Brother Wade took up the work when these brethren laid down their armor, and it is to him and to them that Indiana Pythians are indebted for a service-giving auxiliary which makes the benefits of Pythian membership extend beyond the Castle Hall over the threshold and into the homes of our membership where wife and children may share in its benefactions.

I hardly need to say that the Pythian insurance contract is as serviceable and as sure as any other insurance obtainable. Certificates are issued in amounts from \$500 to \$10,000 in straight life, twenty-year payment, old age benefit and monthly income provisions. Cash loans, cash surrender, double indemnity and permanent disability provisions, together with paid-up and extended insurance and participation in the monthly waived

payments gives Pythians as flexible and as economic a contract as can be obtained.

It is Pythian insurance for Pythians and their families. It is not operated for profit. No one shares in its earnings except those who hold membership. Its record for the half-century is every claim paid in full and promptly. Confidence in its solidity is based upon its reports, which disclose a reserve of nearly \$20,000,000 invested in state and municipal bonds. I cannot but urge every member of the Order in Indiana to provide at least a part of his home protection through this medium. There is the added reason aside from perfect protection, and that is that members of the Insurance Department seldom lapse from membership in our Order. To be insured the Pythian way means a sure protection for your family; it also means a stable and permanent membership in our subordinate lodges.

Grand Lodge Officers.

Carl R. Mitchell, G. K. R. S.

I am sure you will agree with me when I say that Carl is the most beloved Pythian in Indiana, not only because of his efficiency in the business affairs of his office, but for his integrity, loyal spirit, genial character, high ideals, broadmindedness, and as an untiring worker, ready at all times, day or night, to do whatever is allotted to him, to the best of his ability. Only a Grand Chancellor knows his real value to the Order, and words fail me when I attempt to pay him a tribute equal to my estimate of him as a man and as a Pythian. I am sure, had it not been for his loyal support, I would have fallen far below your idea of a Grand Chancellor. It has been a real pleasure to work with him, and this association will be a sweet memory with me forever.

Dolph E. Farr.

For years I have known Brother Farr. For years he has been a true, loyal Knight of Pythias, working in most every branch of the Order and doing everything that could be done for the upbuilding of the great principles of Pythianism. To know Brother Farr is to love him, and we are very fortunate to have a man of his kind to steer the Pythian ship, and I wish for him all the success possible, and pledge to him my loyal support in whatever he may do for the upbuilding of our Order.

Neither time nor space will permit me to take up each Grand Lodge officer separately, but I feel sure the affairs of this Grand Lodge are in safe hands and the progress in the years to come will far outshine anything that has been accomplished this term. There has been no call for help that was not cheerfully responded to, and to the Order in its entirety I wish to say from the bottom of my heart to one and all: "I thank you."

Deaths.

The Grim Reaper has again visited our Grand Domain and summoned to their last roll call more than nine hundred of our members. One hundred ninety-seven of these were members of the Grand Lodge. Without warning the Angel of Death summoned Past Grand Chancellor Charles A. Bookwalter, of Indianapolis Lodge No. 56, of Indianapolis, only a few weeks after

the Grand Lodge Convention last year. The list includes many who have rendered faithful and effective service to our Order in this Grand Lodge and in their respective subordinate lodges. Among these are Will H. Pigg, of Anniversary Lodge No. 89, of Martinsville, formerly a member of the Committee on Judiciary; Robert J. Berry, veteran member of Hope Lodge No. 13, of Jeffersonville; Charles H. Peck, Master of Finance of Remington Lodge No. 58 for a quarter of a century; William S. Coleman, of Cornerstone Lodge No. 526, of Vincennes, former Deputy Grand Chancellor; Everett S. Pancake, of Clifford Lodge No. 438, a former Deputy Grand Chancellor; T. J. Cartwright, a charter member of Sunlight Lodge No. 190, of Pennville, and scores of others.

Although they will never again answer to the call of earthly duties, we will ever cherish their memory for their great example of Pythian principles. And though our hearts break at the parting we can but trust their keeping to the Great Chancellor of the Universe, who holds in the hollow of His hand the destiny of us all, extending to the friends and relatives of these brothers and all Knights who have crossed over in the unknown land our sympathy and love.

Dedication of the Indiana Pythian Home, August 10, 1927.

If that beautiful rainbow that lighted the sky and filled the heart of each person present with joy and gladness at the laying of the corner stone of our Pythian Home was a symbol of approval and divine blessing of Him who rules all, it was again impressed upon each person attending the dedication in the beautiful day given for this ceremony. It was all and more than anyone could ask.

At six o'clock in the morning the crowd began to arrive and caravans of autos and throngs of visitors poured as a human stream into the grounds. At ten o'clock Brother Harry Wade and the entire force of the Insurance Department landed with banners, horns and whistles. Delegations from all over the Domain came to take part in the dedication and to inspect the Home, and a continuous throng passed through the buildings until nine-thirty that night.

The ceremony of dedication was short but impressive, and in a few minutes the Pythians of Indiana dedicated that group of beautiful buildings with all its furnishings to the great Pythian principles of Friendship, Charity and Benevolence.

One disappointment came the day before, in a telegram from Mrs. James E. Watson, stating that the Senator, who was to deliver the dedicatory address, was confined to his bed and would be unable to attend. But we were indeed fortunate in securing our junior Senator, Brother Arthur Robinson, and it was a masterful address he gave. Swaying the emotions of his listeners at will, he painted word pictures that were clear and vivid, awaking in every heart a realization that we are "our brother's keeper" and that in this great work we may in a way carry out the plan of the Creator when He said: "In as much as ye have done it unto one of the least of these, my brethren, ye have done it unto me."

Supreme Vice Chancellor, Brother Alva M. Lumpkin, of Columbia, South Carolina, impressed upon us all our duties to the unfortunate child and what a home such as this would mean to

them. His oratory was matchless and was delivered as only a southern gentleman can deliver. We were all very happy to have Brother Lumpkin with us.

Brother Harry Wade introduced the guests of honor. Dr. Albert R. Ross, mayor of Lafayette, welcomed all visitors and made them feel at home.

Brother Moses Schultz, president of the Merchants and Manufacturers Association, gave a brief history of the organization and paid a tribute to the wide-awake merchants of Lafayette who did their part in securing the location of the Pythian Home.

Under the leadership of General Gray the Uniform Rank gave the official flag raising ceremony, a regimental parade, a review, and closed by lowering the flag in regular military style, which closed the public program for the day.

A fine class of candidates were given the rank of Page in the dining-room of the Home, the work being given by Supreme and Grand Lodge Officers: C. C. Dore B. Erwin, P. G. C., of Decatur; V. C. Carl R. Mitchell, Grand Keeper of Records and Seal, of Martinsville, and Prelate Harry M. Love, Supreme Keeper of Records and Seal, of Minneapolis. M. at A. Harvey Sellers, P. C., of Lafayette. The original Rathbone Bible was used.

Thus closed the greatest page of Pythian history ever written in the Grand Domain of Indiana.

Conclusion.

This is not a very pretentious word, yet it marks a time that I approach with a feeling of sadness, as I realize that the sweet associations with my brethren, the opportunity to serve you and our Order in an official way, will soon be no more. But I thank Providence I will still be able to serve the Order in the common walk of life.

The past year has been a busy one. Your Grand Chancellor has had the extreme pleasure of meeting with the members of the Order in 124 meetings, picnics and so forth. The district meetings, officers' conferences, and Third Rank contests made some extra work for all connected with the organization, but I feel that the good accomplished was well worth all the time, trouble and expense. And to all who helped in this great work I wish to express my deep appreciation and love, and wish for them all the success possible.

The opportunity that I have had of serving you and of mingling with the boys (as I love to call them) shall be a sweet memory with me as long as life shall last.

May faithful friendship, that never-failing, mysterious cement of the soul, imbue us with love and loyalty. May Fraternity bind us together in love and make us brave in honest deeds and integrity of soul.

Fraternally yours,

Louis B. Elmore
Grand Chancellor.

Report of Grand Keeper of Records and Seal

Indianapolis, September 1, 1927.

To the Grand Lodge Knights of Pythias of Indiana:

My Brothers:

Another twelve months have winged their all too rapid flight. Another time for casting accounts has arrived and I take pleasure in submitting herewith the fifty-ninth annual report of the office of Grand Keeper of Records and Seal, covering the fiscal year ending June 30, 1927.

During this fiscal year, as in the year preceding it, the paramount issue has been the establishment of the Indiana Pythian Home. This year the activity has embraced the actual erection, completion and dedication of the new buildings. The report of the Pythian Home Committee, published herewith, will incorporate all details of this great achievement.

State of the Order.

It is both difficult and unpleasant to comment on this subject. The difficulty lies in reaching an accurate analysis of the year's developments. The unpleasantness comes in recording a severe loss in membership. The loss for the fiscal year is a little heavier than the previous year and was noticeably heavy for the term ending December 31, 1926. The term ending June 30, 1927, shows the smallest loss of any term since the beginning of the landslide which has swept through the Supreme Domain, with only a few exceptions, in the wake of bungling legislation in the Supreme Lodge seven years ago.

During the early part of July there was reason to believe the term might show a small gain or at least a very small loss, on the basis of the first hundred reports. About all of the gains came in early, it seems, and as "additional precincts came in the early lead melted away," to quote a familiar newspaper expression. The final result was a loss for the term of 1,270.

The deaths, withdrawals and suspensions during the year do not make a total that is much if any larger than has been experienced in former years when substantial gains were being recorded. Our Order grows older and the death rate cannot be expected to diminish. Our suspensions are outrageously heavy and are due to many causes, unemployment, lack of activity on the part of the lodge, dissatisfaction over curtailment of financial benefits, incompetent Masters of Finance and doubtless many other things. I have yet to hear of the first member who refused to pay his dues because of an increase made necessary by the Pythian Home tax. Lodges have suspended members who were already hopelessly in arrears but who might not have been suspended except for the increased tax.

The real trouble is at the front door. Not enough members are being brought in either by initiation or reinstatement. Ob-

serve the total number of initiations—1,552. A few years ago reports showed three and four times that number. It is not that there are fewer available men, but that few members in the average lodge are making any pretense of trying to increase the membership.

With the immense list of suspended members that every lodge now has, the greatest field by far for building up the membership is by reinstatements. Considerable stress was laid on this point during the last term and lodges which made a serious effort along this line reaped results.

Consolidations.

There are 13 fewer lodges in the Domain than one year ago. Seven of these have passed out of formal existence because of surrendering their charters after consolidating with other lodges. This is probably the largest number of consolidations in a single year, and emphasizes the growing tendency to concentrate in larger units and to muster out the small lodge in the small village with a handful of members usually widely scattered. Careful investigation of each case was made and the move was found to be for the best interest of the Order in each instance.

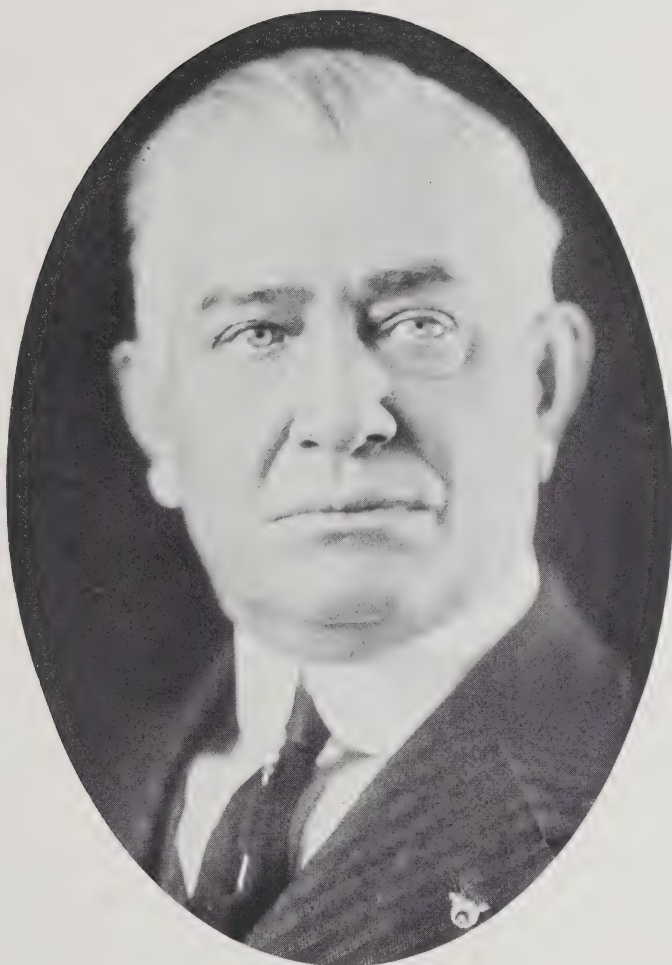

Charters Surrendered.

Six lodges surrendered their charters. Others should have been taken up and some have been since June 30. Modoc, North Judson, Cates and Hudson had not functioned for a long time and no toe-hold could be found for any effort toward reorganization. At Hartford City, the dispensation issued for a new lodge to replace Blackford Lodge No. 135 was taken up. The reorganization movement flourished for a time, but it could never be gotten to a point where there was any hope of permanent success. There was no excuse for the surrender of the charter of Neal Lodge at Crawfordsville. It was an outright surrender of the worst kind. Grand Chancellor Elmore attended their meeting on the night set for final action on the proposal to quit. Eighteen members attended. In response to the Grand Chancellor's questions, following an earnest plea, not one man expressed a desire to see the lodge continue to exist, not one man would agree to assist in any way, shape or form and not one man would swerve from his intention to take his card and let Neal Lodge pass out of existence. Seldom has there been a more abject surrender.

Florida Hurricane.

At the request of the Supreme Chancellor, an appeal was issued last September for funds for a Pythian Relief Fund for sufferers in the path of the devastating hurricane in Florida. Appalling as were the conditions in the stricken region, the subordinate lodges did not make a very gratifying response to the official appeal. Splendid work was done in administering the fund among the sufferers. Following is a list of the donations received at this office and remitted to the Supreme Master of Exchequer:

Mississippi Flood Relief.

The overflow of the Mississippi River and its tributaries this spring caused a flood of such gigantic proportions as to become the greatest disaster in the history of this country. The Supreme Chancellor directed an appeal for funds for a Pythian Flood Relief Fund and the proclamations were in the mail a few hours after receipt of his message. A very commendable response was made, as shown by the appended list of donations received and remitted to the Supreme Master of Exchequer. Reports show it has been used to very excellent advantage. The official call was not issued until the flood had reached a condition to attract nation-wide attention and it is believed several hundred dollars were contributed by lodges in this Domain through the local Red Cross and other similar agencies. Officers' Conferences—Contests

The Grand Chancellor's report contains mention of these events, which were entirely new in this Domain. In my opinion, both plans scored a genuine success and have aided materially in the progress made this term. I earnestly believe much good will result from repeating both the conferences and the ritualistic contests.

If at all possible, the officers' conferences should follow the Grand Lodge Convention as closely as possible so that plans for the year's work may be launched early in the winter. It would be hard to improve on the plan of the combined dinner and conference as carried out the past year. On account of expense the number of officers from each lodge must be limited, but if at all possible I believe the Master of Finance should be included, together with the Chancellor Commander, Vice Chancellor and Keeper of Records and Seal.

If these conferences are held the District Meetings should be postponed until later in the year, perhaps March or April, and might well be the concluding event in the ritualistic contest in each district. The motto of the year has been "Be up-to-date." I believe in that and in keeping with it, I think we may well discard the time-worn district meeting program with the exemplification of the unwritten work, etc., and plan a more modern program, revising the statutes so as to eliminate a fixed program and leave it to the District Deputy and the local lodge to plan a program in keeping with prevailing tendencies.

The Pythian Journal.

Commencing with December, 1926, the Pythian Journal has been issued monthly as the official publication of the Grand Lodge, in accordance with the provisions of legislation enacted

one year ago. Some delay was experienced in reaching an agreement with the heirs of Major Preston for the purchase of the paper. This was completed about December 1st at the price of \$200.00 specified. Because the estate had issued no paper in October and November, the December number, the first published by the Grand Lodge, was made 12 pages instead of the usual 8 pages. Commencing with January, 1927, the size of the pages was reduced to nine by twelve inches, three columns, and a new heading emblematic of Indiana Pythianism was designed and used. All issues except January have contained 8 pages, but a 24-page special Pythian Home edition is planned for September with additional advertising to defray the increased cost.

The Pythian Journal has been sent regularly to the Chancellor Commander, Vice Chancellor, Keeper of Records and Seal, Master of Finance, Master of Exchequer and Lodge Deputy of every lodge and to all District and County Deputies, officers and official members of the Grand Lodge without charge. The regular subscription rate was reduced from one dollar per year to fifty cents, which barely covers the cost of printing and mailing. It was hoped to thus place the paper in the hands of a large number of members at very small cost. The number of subscriptions, however has been negligible and whatever value the Journal has had to most lodges has been through the officers. Several advertising contracts have reduced the cost of publishing, which has been heavier this year than in the future because of the purchase price of the paper and the purchase of a set of plates for the addressograph, all of which has had to come out of this year's appropriation. By the legislation of last year, the Grand Keeper was made editor of the Journal, and therefore is not in position to comment on the value of the paper to the Grand Lodge. Some favorable comment has been heard and no complaints have been registered. An official publication should be of great value to any organization. The Grand Keeper will welcome suggestions or instructions from the Grand Lodge that will make the Journal more helpful from month to month.

Advance Reports.

It is my opinion that the Grand Lodge Statutes do not require or contemplate the publication of such extensive reports as have been published in the advance report from year to year. This opinion is concurred in by the Grand Chancellor, Grand Trustees, members of the Finance Committee and others who have discussed the question. With the approval of the above named officers, the size of the volume of advance reports is greatly reduced this year through the omission of many pages of forms and reports which are of only casual and statistical interest. The data so omitted will be published in the official Proceedings unless the Grand Lodge shall direct otherwise.

The Grand Lodge Journal.

It has been a source of pride to Indiana Pythians for many years that our printed Journals of Proceedings of the Grand Lodge Conventions have been the best and most complete of any of the Grand Domains. It is a rather widespread opinion, however, that we are paying far more dearly for that satisfac-

tion than the actual worth of the Journal, however excellent, justifies. We have taken a verbatim stenographic record of all that is said and done in the Grand Lodge Conventions, including all addresses and debate on legislation. Only one other Domain has essayed to do this and it has done so only the past year or two. The Supreme Lodge Journal contains no addresses or remarks, nor does any other Grand Lodge journal, or journals of other orders that have come to this office. Our Journal has been costing on an average of \$1,800.00 per year, including the advance reports which go in the official Journal, line for line, frequently 100 pages or more, and including the cost for a shorthand report and of halftone engravings. This is about \$1.15 per book, not counting the cost of mailing, which exceeds \$75.00. Inquiry reveals that seldom do more than one or two members of a lodge make any pretense of reading the book.

It is very essential that a printed record of each convention be preserved together with the reports and business transactions of the year. I am of the opinion that many things can be spared from our Journal without impairing its value for statistical purposes and that a much more concise record of our convention can be prepared that will serve all purposes equally as well.

I suggest the omission of all addresses and discussions, and that in lieu thereof the inaugural address of the Grand Chancellor, and such other addresses as may be desired, be published as space permits, in the Pythian Journal.

The contract for printing the proceedings is based on a price per page, each page added costing so much more, each omitted, so much less. We have frequently had enough addresses in one book to increase the cost \$100.00 to \$150.00.

I suggest also omitting the tables listing the Past Chancellors and representatives; also the itemized list of mileage and per diem paid and either the detailed list of lodge membership in the back of the book or the table of membership by districts and counties or both.

Another important consideration is the extreme difficulty of securing a shorthand reporter who is both a member of the order and a Past Chancellor as well. If the addresses are omitted and discussions omitted, the shorthand report will not be needed.

I hope the members of the lodges and of the Grand Lodge will consider these matters, so that the coming convention may express its desire as to what should and should not be included in future advance reports and proceedings.

In Memoriam.

It is appalling to realize that nearly one thousand of our brother Knights have been called to rest during the span of a single year. Nearly 200 of these have at various times sat with us in the Grand Lodge Conventions. Great indeed has been the combined service of these men to Pythianism.

Only three weeks after the Grand Lodge Convention last year, Past Grand Chancellor Chas. A. Bookwalter died suddenly from a heart attack. Twice Mayor of Indianapolis, Grand Chancellor in 1901-2, he was conspicuous in the councils of the Order and in public life. His membership was in Indianapolis

Lodge No. 56. He was honored and loved throughout the lodges of Indianapolis and of the Grand Domain.

The death of Will H. Pigg, of Anniversary Lodge No. 89, Martinsville, though following an illness, was totally unexpected. He gave freely of his time and talent to the Knights of Pythias and rendered valuable service at recent Grand Lodge Conventions as a member of the Committee on Judiciary. The list of honored dead includes men who have served faithfully and well in positions of honor and responsibility in the Grand Lodge.

The Grand Chancellor.

Would that I had the power of expression to portray the conscientious devotion to Pythianism that has marked every word and deed of that jovial soul who has been our Grand Chancellor this year. We have had a full-time Grand Chancellor, the first in many years. Brother Elmore disposed of his business several months before he became Grand Chancellor and has waited until after he completes his term of service to the Order he loves before forming new connections in the commercial world. The average member or the average lodge little realizes what it has meant to have had Brother Elmore on the firing line throughout the year.

Irrespective of what statistics may show, he has rekindled many a lodge this year that was dying a slow death. His persuasive leadership has worked wonders. He launched plans that were both feasible and practical and like his motto, were "Up to Date." Much good came of the officers' conferences, and the contests mentioned heretofore. He has responded to every invitation it was humanly possible for him to accept and has done all and much more than his duties provided or contemplated.

Brother Elmore's services on the Pythian Home Committee have been especially valuable. The details of building and equipping the Home have been scarcely less exacting in their demands upon the members of the committee than were the problems of securing the funds upon the Grand Chancellor, and others last year.

The Grand Keeper was incapacitated by illness for several weeks during the year and will be everlastingly grateful to Brother Elmore for his consideration and assistance during that time.

What a pleasure it has been to serve with him, what a privilege to know him, how thoroughly the judgment of the Grand Lodge in choosing him has been proven. Your friend and my friend, everybody's friend, "L. B."

A New Pilot Comes Aboard.

The good ship Pythianism has had her course charted by a long list of able men. In the passing of the years, as new skippers have taken the helm the course has shifted but always in the general direction of a common destination. Each Grand Chancellor has a program and a goal but all strive to accomplish one thing, the utmost advancement of Pythianism in Indiana. As loyal a Knight as this Grand Domain ever knew assumes the leadership as our Grand Chancellor for the ensuing year. Brother Farr is of a quiet, even retiring disposition but

one which does not mask the sincerity and friendliness of his manner. He enjoys the confidence and high esteem of the membership and will be a popular and successful leader. He has given much time and thought to planning his administration and with a reasonable degree of co-operation and real work in the lodges, results of a very gratifying nature will be realized.

In Conclusion.

Perhaps it is invading the rights of the Grand Chancellor for the Grand Keeper to offer recommendations, but I think at least I should not be put in jail for summing up some conclusions that have forced themselves to the front as I conclude this report. I hope the Grand Lodge will see fit to give consideration

to the following things during the other deliberations of the session—

- 1 Dispense with shorthand report of convention.
- 2 Simplify and reduce the journal of proceedings.
- 3 Remove fixed program for district meetings.
- 4 Authorize officers' conferences.

My sincere gratitude goes out to my fellow officers in the Grand Lodge and in the subordinate lodges for the loyal co-operation and the many kindnesses of the year. May we enter the new year's work with a determination to retrieve our numerical losses, and to make our lodges mean more and more to the members and to the communities in which they are located.

Sincerely and Fraternaly,

Carl R. Mitchell

Report of the Indiana Knights of Pythias Home Committee

Indianapolis, August 31, 1927.

To the Grand Lodge Knights of Pythias, Grand Domain of
Indiana—

Dear Brothers—

The Indiana Knights of Pythias Home Committee herewith submits a detailed report of its transactions for the fiscal year commencing September 1, 1926, and ending with the date of this report.

One year ago the committee submitted its report up to August 31, 1926. That report gave the details of completing the \$200,000.00 fund, the acceptance of the site, the selection of architects, the adoption of plans and specifications, the opening of bids and the awarding of the contract.

Ground Broken—Corner Stone Laid.

On the following day, September 1, 1926, the ground was broken during an appropriate ceremony in which the members of the committee, the officers of the Grand Lodge and Grand Temple Pythian Sisters and citizens of Lafayette participated. Brother Harry Wade turned the first spadeful of earth, using a spade presented for the occasion by Crescens Lodge No. 33, of Newcastle. From that day until completion and dedication of the new buildings, construction work was carried forward with all possible speed and excellent progress was made at all times.

Excavation was completed and foundation walls were laid in time to lay the corner stone on October 4, the day preceding the Grand Lodge convention last year. In spite of inclement weather, a most impressive ceremony was held. Grand Chancellor Nathan J. Lane conducted the ritualistic ceremonies, following a great parade which included the Purdue University Band and R. O. T. C. Cadets, Supreme and Grand Lodge officers, Uniform Rank, Dokeys, Pythian Sisters and subordinate lodge members.

In the evening the annual Grand Chancellor's banquet was held at the Fowler Hotel. Both the Grand Chancellor, Brother Lane and the incoming Grand Chancellor, Brother Elmore, were guests of honor. The Grand Lodge was further honored in having as guests on that occasion, Past Supreme Chancellor John J. Brown, Mayor Ross and all city officials of Lafayette, Dr. E. C. Elliott, President of Purdue University, Major McNair, Commanding the Purdue Cadets, Prof. Emerick, director of the Purdue band and a number of representative business men of the city.

Meetings of the Committee.

The term of Charles R. Howe, as a member of the committee expired with the Grand Lodge convention in 1926 and retiring Grand Chancellor Lane was appointed for the three-year term.

By virtue of his office, Grand Chancellor Louis B. Elmore became a member of the committee. The election of officers resulted in the re-election of Harry Wade and Elmer Bassett as President and Vice-President respectively, of the committee, G. K. R. S. Mitchell as Secretary and G. M. E. Kammerer, as Treasurer, serving ex officio. During the twelve months covered in this report, the committee has held 21 meetings. Of this number, 4 were held at the Grand Lodge office at Indianapolis and 17 were held at Lafayette, first at the Fowler Hotel and later in the Pythian Home. Ill health during the greater part of the year has prevented Brother Gelts from serving actively with the committee, but the other members have attended the meetings and have given their best efforts to the work of building and equipping the Pythian Home. As the work progressed, numerous questions arose for decision and the committee met at such times as developments required.

Floors—Tile—Tinting.

Among the conclusions reached during the year, was the decision to install tile wainscoting in bath and toilet rooms at an additional cost of \$4,900.00, the selection of terrazzo floors throughout all parts of the buildings at a cost of \$4,750.00 and the decision to tine the walls of the rooms and corridors, which was done for \$1,700.00. These changes together with the expense of the construction superintendent increased the actual cost of the new buildings from the contract price of \$202,327.00 to \$215,425.77. The financial report shows the additional sum of \$7,803.96 invested in buildings. This includes the cost of moving and other work done to the Superintendent's residence and the engineer's cottage, and includes the cost of water mains and fire hydrants. Work on the Superintendent's residence and engineer's cottage is not entirely completed.

Furnishings.

In March the committee began consideration of the purchase of furniture and equipment. At the Grand Lodge Convention in 1926 and throughout the months following, many offers to furnish rooms were made by lodges, Pythian Sisters' Temples, and individual members. It had been decided previously that uniform furnishings would be purchased by the committee and those offering to furnish rooms have paid the cost of the articles in the several rooms. Practically all furnishings were purchased through Lafayette dealers. The furniture contract was awarded to Jamison Bros. Co. and Brother Floyd Grannon, a member of the firm gave his personal attention for days to assisting in the selection, and in supervising the uncrating and setting up of all articles. Selection of furniture was placed in the hands of a special sub-committee of Mitchell, Kammerer and Elmore. The committee visited the furniture market at Chicago and spent several days making its selection of beds, upholstered chairs and davenports, reception room tables, rugs and chairs. Simmons beds and mattresses, considered the best to be obtained, were chosen and standard length, single width beds were bought for all three buildings. Rockers and dining room chairs are of graceful design and exceptionally sturdy construction. They were manufactured by Smith Day & Co. of Indianapolis. The upholstered furniture was made to order by the Valentine-

Sevier Co., Chicago from designs selected by the committee to blend with woodwork, walls and rugs. Much care was exercised in selecting the rugs and the rug department of Carson, Pirie, Scott & Co., Chicago was literally "combed thru" in selecting rugs of high quality and suitable design. Much credit is due Brother Kammerer, whose knowledge of rugs and color schemes was most valuable. The best known grade of fiber furniture for the passageways was selected. While the very best quality of furniture was purchased, the committee found it possible to make its selections and contracts in such a way as to secure exceptionally low prices. The total cost was several thousand dollars less than had been anticipated. The committee to select kitchen equipment was composed of Lane, Elmore and Bassett. Majestic gas ranges were chosen, which together with coffee urns, electric mixer, potato peeler, table, meat block and sauce-pan rack were bought from Vonnegut Hardware Co. of Indianapolis. The Crescent dish-washing machine and the aluminum utensils were bought of John Sperr, Lafayette. The McCray refrigerator and Frigidaire machine with ice maker were installed by Pfrommer Bros., Lafayette. Dining room tables, also study tables in the boys' and girls' buildings were made to order. Dishes, glassware and silverware were purchased from the Mutual China Co., Indianapolis. Linens, blankets, pillows, shades, curtains and similar articles were selected by Kammerer, Erwin and Lane. They were bought in three contracts from Loeb & Hene, and Thieme and Schuessler of Lafayette and Weaver & Co. of Darlington at a cost of \$1,000.00 less than estimated. Special window shades were installed by the Draper Shade Co. of Spiceland, Indiana. The buildings were equipped throughout with highest quality metal screens.

The rooms in the buildings have been furnished by the following:

Buildings Moved.

The committee caused a thorough examination to be made of the large farm house on the property. It was found that it was exceptionally well built and in excellent condition. It was decided to move it to a proper location with respect to the new buildings, to be used as a residence and office for the Superintendent. It was decided to move a small cottage near the street in front of the new buildings to a new location, northeast of the buildings next to the north property line and just east of Twentieth Street. A contract was made with Anderson and Ulrey of Lafayette to move both buildings, excavate new basements, build foundations, lay concrete basement floors, rebuild chimneys and do other things in connection with moving the buildings at a cost of \$3,000.00. A contract was made with Mr. Kemmer, who built the Pythian Home to brick veneer the Superintendent's house and reconstruct the roof to harmonize with the architecture of the new buildings. The cost of this work and of refinishing and decorating the house is about \$5,000.00. Mr. B. Southworth was employed to make necessary repairs and alterations to the smaller house at a cost of about \$1,100.00. It was found that new hot-air furnaces could be installed in both houses at about one-fifth the cost of installing radiation to connect with the central heating plant. Both houses are in first-class condition and at an expenditure of about \$9,000.00, the Pythian Home has two additional units that would have cost more than \$20,000.00 to build new.

Development of Grounds.

One of the great factors in the original selection of the present site for the Pythian Home was the possibilities for landscaping and developing the grounds. Nature has richly endowed the Pythian Home and as soon as the buildings themselves began nearing completion, the committee set about improving the grounds, wrecking the old barns and sheds, clearing off brush, building driveways and walks, filling, grading and building terraces and similar work. This required a force of workmen and required some one to direct the work. It has been the extreme good fortune of the Order in Indiana this year that we have had a Grand Chancellor who had no business affiliations requiring his attention and thus has given his entire time to Pythian affairs. Because of this fact and because of his keen interest in the work of establishing the Pythian Home, the Com-

mittee felt that Brother Elmore was in every respect the logical person to supervise this development work, under the direction of the committee. The committee therefore insistently requested Brother Elmore to look after the details of the various phases of work. Brother Elmore agreed to do this and he has been on the grounds practically all of the time since May 1. This has kept him away from home except Sundays and has meant much personal inconvenience to him. Great credit is due Brother Elmore for the fine progress made and it was his energetic work that made it possible to have the grounds so nearly finished by the day of dedication. A great deal of filling was necessary at the rear and around the south end. It seemed for a time that this was to prove a very expensive matter as the cost of moving dirt even a short distance from our own high ground was found to be very high. By being on the ground, Brother Elmore learned that some excavating was to be done in paving a street in the new residential section of Lafayette, which is now being built up across from the Home. He was able to arrange for all the filling dirt we could use, dumped where wanted, at a cost of less than one-third of the cost of hauling our own dirt. More than 5,500 loads were received and a very comprehensive terrace was built, solving the problem of filling and at the same time adding greatly to the landscaping scheme. After much consideration it was decided to establish one main entrance and driveway from Eighteenth Street. A gravel driveway was constructed which passes all four buildings and describes a complete 150 foot circle in front of the center building. The committee at first expected to construct a concrete driveway, but found that the cost would be so much greater than gravel, that the latter was chosen as a matter of economy. Part of the gravel drive was completed only a day or two before the dedication and was soft. It has since packed nicely and will afford an excellent and substantial driving surface. A drive was also built from Twentieth Street to the rear of the buildings for delivery of coal and supplies. A four-car garage built of lumber saved from the salvage, is on this drive, back of the boiler room. A connecting drive makes it possible to enter from Eighteenth Street, pass the buildings and go to the rear either for parking or to leave the grounds over Twentieth Street. A five-foot cement walk was constructed from the property line at Eighteenth Street past the Superintendent's residence to the Girls' building. This walk passes the Carnahan Memorial erected by the Carnahan Memorial Committee of which Brother Harry Wade was Secretary and Brother William A. Morris was Treasurer. The Pythian Home Committee gladly gave consent for the erection of this memorial in the home city of General Carnahan, founder of the Uniform Rank. It was erected at no cost to the Grand Lodge.

A fine spring was discovered on the hillside on the south side of the ravine and a rustic spring house was built after the spring had been properly walled in. Two foot-bridges were built from salvage lumber on hand, connecting a grassy island in the ravine with either bank, providing a convenient path and pleasant journey across to the spring and the picnic grounds on the high ground to the south.

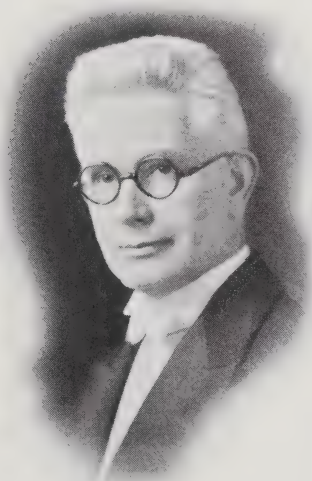

In all about \$11,000.00 has been spent to date on landscaping and outside development work. In wrecking the barns, much good lumber was saved and it has been used to very good ad-

vantage in building the garage, spring house, foot-bridges and the like. Even the concrete foundations were broken up and the pieces have been used in making walks. An immense store of wood and kindling is corded up at the rear. A few trees were cut down in erecting the Home, and the logs have been saved for use in the four fireplaces.

Rental Houses—Crops.

Three rental houses situated south of the building site have been rented practically all of the time. Brother Charles W. Bone of Lafayette has given generously of his time in looking after leases and rents and a debt of gratitude is due him for the service he has so cheerfully rendered. A fire which has never been fully explained gutted one of the houses in the late winter. It was fully insured and no loss was sustained by the Grand Lodge as the Insurance Company restored the house to better than its former condition.

That portion of the farm lying southeast of the boulevard and one field across the boulevard were leased for cultivation on the usual crop-sharing basis. The lease was for one year only, so that the Pythian Home can farm the ground next season as desired.

Acceptance of the Buildings.

On July 25th the new buildings were formally accepted from the contractor. In the opinion of the committee, Mr. Kemmer had fully completed his contract in accordance with the plans and specifications and the formal acceptance followed the filing of a written statement by the architects that the contract had been completed in all details according to specifications. The relations between the committee and the contractor at all times were very pleasant and harmonious and the committee has been highly pleased with the high quality of workmanship and the full co-operation received at all times from Mr. Kemmer. It is a noteworthy coincidence that it was one year to the day from the afternoon that the Grand Lodge received the last of the required \$200,000.00, that a check was written to the contractor for the final payment in full on the new buildings. This was July 29.

Earnings of the Fund.

When the raising of the Pythian Home Fund was first commenced, the committee suggested to Brother Henry Kammerer, treasurer, that it would be a good idea to invest the funds as fast as received in United States Liberty Bonds, inasmuch as it would be several months before it would be paid out. Brother Kammerer followed the suggestion and due to his skillful handling of these investments the Grand Lodge has realized a handsome sum from the profit made in selling the bonds back at a higher premium than was paid, in addition to the large earnings in interest. In all \$11,649.80 was received in bond interest, premium, and interest from depository banks since the fund was started.

Dedication.

Wednesday, August 10th, was selected for the formal dedication of the new buildings. Everything was in readiness on this

date and the dedication was a very gratifying success. All furniture and other equipment had been installed, curtains, shades and rugs were in place, even the tables in the dining room were set so that visitors saw the Pythian Home just as it will look when occupied. Many thousands of people visited the grounds and passed through the buildings on that day, passing in a constant stream from early morning until late in the evening. Ten thousand people assembled about the platform for the dedication ceremony. The full program was carried out and very eloquent addresses were heard from Senator Arthur R. Robinson and Supreme Vice Chancellor Alva M. Lumpkin. Many distinguished Pythians from other states were in attendance. Grand Chancellor Louis B. Elmore conducted the dedicatory ceremony, assisted by the officers of the Grand Lodge.

Conclusion.

The dream of Indiana Pythians is a reality. The Pythian Home is not only in glorious existence but is fully equipped and ready to fulfill its mission of mercy as soon as the coming convention of the Grand Lodge has enacted the necessary statutes defining and regulating the admission of residents. No longer need the member overtaken by the vicissitudes of life, or the widow of a fallen Knight, hold any fear of the future. No longer will there be any question as to the training and education of the child of our deceased brother.

The members of the Pythian Home Committee have approached the duties of the year, mindful of the responsibilities attached. Every act and decision has been actuated by the desire to carry out faithfully the mandate of the Grand Lodge to establish a comfortable home for those who will require its facilities. The committee has at no time taken precipitate action on any detail, but has given thorough consideration to every matter at hand. Every effort has been made to obtain the highest possible value for each expenditure made and the committee has the satisfaction of knowing that only the very best material and workmanship has been used in building and equipping the Pythian Home. In our report one year ago we pledged the very best efforts of which we were capable in carrying on this work. We have endeavored to fulfill this pledge and it is our earnest hope that our labors up to this time are meeting with the approval of the members of this Grand Lodge and of the subordinate lodges of Indiana.

Respectfully submitted,

It shall be his duty to see that the rules and regulations adopted by the committee are strictly complied with; to maintain order, regularity and a proper regard for the constituted authority in a firm but kindly spirit, and to use his best endeavor to promote the happiness of those committed to his charge, and to make of the institution of which he is the head what its name implies—a HOME. He shall be assisted by the Matron, and such other officers and employes as the Indiana Knights of Pythias Home Committee may employ.

Sec. 22. The Superintendent shall have general oversight of the entire Home, farm, buildings and property of every kind that may be on or about the premises, and supervision of its employes, and residents, subject to the direction of the Indiana Knights of Pythias Home Committee. He shall at all times require the faithful performance of duties and the observance of all rules, and see that economy is practiced and unnecessary waste avoided. He shall visit all occupied rooms frequently and see that they are kept in good condition. He shall submit all requisitions for supplies to the committee, keep correct accounts of the same, together with an account of all transac-

tions under his charge, including any incidental funds which may be turned over to him, in books provided for that purpose, and make a detailed report of duties performed, quarterly, to the Indiana Knights of Pythias Home Committee. He shall receive such compensation for his services as the committee may determine. The Superintendent may, for sufficient cause, be suspended by the chairman of the Indiana Knights of Pythias Home Committee, and such suspension shall be effective until the meeting of the Indiana Knights of Pythias Home Committee, when a final order sustaining or reversing such suspension shall be passed. In the interim the committee shall have the power to fill the vacancy.

Sec. 23. The Superintendent shall reside at the Home. He shall for all purposes be deemed the head of the household, with absolute authority in all matters of detail incident to the direction and management of said Home; subject, however, to the rules and regulations herein provided for the government of said Home, or such rules and regulations as may be hereafter adopted by the Grand Lodge or the Indiana Knights of Pythias Home Committee.

Said report shall show the several items and things on hand at date of last report, an itemized statement of the several things added since last report, and shall account in said report for any article missing from his last report.

Sec. 27. All salaries, wages and claims against the Home for supplies or for any other purpose shall be made out in bill form, giving names, dates, and amounts for services rendered, or complete invoice of supplies furnished, which account shall be endorsed by the Superintendent and when so made out and approved shall be presented to the secretary of said Home Committee for payment, subject to the ratification of the committee.

Sec. 28. All monies expended for any purpose shall be by direction of the Home Committee by order drawn on the treasurer of said committee, signed by the chairman and attested by the secretary: Provided, That the said Home Committee shall have the right to establish a revolving contingent or petty cash account to be expended by the Superintendent for necessary cash purchases. The Superintendent shall file an itemized report with vouchers showing expenditures from this account at the end of each month and when approved by the Home Committee the account shall be reimbursed in the amount thereof.

Sec. 29. The Superintendent shall, in not less than three days prior to each monthly meeting of the committee, make and file with the secretary of the committee a statement or estimate of the several articles of dry goods, groceries, feed stuffs, fuel, books, furniture, etc., deemed by him to be necessary for the maintenance of the Home, for the next ensuing month.

Sec. 30. The Superintendent shall keep in a book for that purpose, a correct and itemized farm account, showing in detail all articles made and produced upon said farm and consumed by the residents thereof for support, consisting of vegetables, corn, peas, potatoes, etc., melons, beef, pork, veal, lard, chickens, eggs, milk, butter, etc., said articles to be weighed, measured or counted and credited to the farm at fair market price at the time of their consumption.

Sec. 32. The Superintendent, Matron, and all salaried employes of the Home shall be elected by the Indiana Knights of Pythias Home Committee at the regular meeting in October each year. They shall be elected for a term of not longer than one year, at a fixed monthly salary to be determined by the Home Committee, with the right on the part of said Home Committee to terminate said contract at any time the committee deems it necessary. Vacancies shall be filled by said Home Committee.

Sec. 33. The Indiana Knights of Pythias Home Committee shall at each annual and quarterly meeting carefully audit and inspect the reports, books and accounts of the Superintendent, secretary, and treasurer or cause the same to be done, and shall also carefully and fully inquire into and examine the general condition of the affairs of the Home, the condition, progress and general welfare of the residents thereof, and cause to be made in the minutes of the said meeting a true record of its findings, and the accounts of said Superintendent and committee shall be audited by the Finance Committee of the Grand Lodge.

Sec. 34. All money donations made to any officer or employe for the benefit of the Indiana Knights of Pythias Home must be turned over to the secretary of the Home Committee, who will make report of same to the committee for the proper placement.

Sec. 35. The secretary of the Indiana Knights of Pythias Home Committee shall give bond in proper amount as agreed upon, and shall keep a minute book, wherein shall be recorded the actions of the Home Committee at its several meetings. All monies coming into his hands shall be immediately remitted to the treasurer, who will receipt therefor. All orders attested by said secretary shall be by him immediately charged to the fund against which they are drawn, and he shall make a quarterly report to the Home Committee.

Sec. 36. The Indiana Knights of Pythias Home Committee shall make an annual report to the Grand Lodge, and said report, or such portions thereof so ordered, shall be printed in the annual Proceedings of the Grand Lodge. Said report shall set forth fully the condition of said Home and the residents thereof. It shall show in detail the condition of the financial affairs of the Home, a full and complete inventory of all the property

belonging to same, the condition of the several funds, and especially the action of said Home Committee relating to the handling of said funds. Said report shall show the name, age, sex, and condition of each of the residents of said Home, the name and number of the lodge to which each is accredited, and the date received or discharged.

Sec. 37. The admission of residents to the Indiana Knights of Pythias Home shall be governed by the provisions of this chapter relating thereto.

Sec. 38. All applications for admission to the Home shall be made upon blanks to be furnished by the Grand Lodge and when filled out shall be filed with the Secretary of the Indiana Knights of Pythias Home Committee, and by him presented to said committee. Application for admission of a member shall be made by the subordinate lodge of which he is a member; application for the admission of a wife or widow shall be made by the subordinate lodge of which the husband is or was a member, and application for the admission of a child shall be made by the subordinate lodge of which the father of the child was or is a member.

Sec. 39. No person who is an imbecile, an epileptic, an idiot, an insane or feeble-minded person, or a deaf and dumb person, or a person suffering from a contagious, infectious or loathsome disease shall be admitted to the Home.

Sec. 40. No person who requires the regular attendance of a nurse will be admitted to the Home except upon special permission of the Indiana Pythian Home Committee and where application is made for the admission of a person so afflicted as to require the regular attendance of a nurse, the action of the committee on said application shall be entered upon their minutes together with the reasons for the action taken.

Sec. 41. All proposed residents of the Indiana Knights of Pythias Home shall, on arrival at said Home, be examined by the regular Home physician, and shall only be admitted on the certificate of said physician, showing that said proposed resident is free from any infectious or contagious disease and free from any physical infirmity that would be communicable or injurious to the other residents or the employes; and also free from any mental disorder that might interfere with the peace, comfort and safety of the residents.

Clothing.

Sec. 42. The lodge making application for the admission of a person to the Home shall see that, prior to admission, the applicant is provided with the following clothing: If a man, one good suit of clothes, one suit of work clothes, two suits of underwear, three pairs of socks, three shirts, one-half dozen handkerchiefs, two pairs of shoes, one hat, one overcoat, four collars, two neckties and two nightshirts; if a woman, one good woolen dress, one woolen dress for daily wear, one flannel skirt, two muslin skirts, two washable dresses, six handkerchiefs, three pairs of hose, one pair of shoes for daily wear, one pair of good shoes, one warm wrap and one hat; if a child, two good suits of clothes, changes of underclothing, shirts, stockings, etc., that he or she may present a comfortable and respectable appearance. In making up the above list, serviceable

articles that the applicant may have on hand may be used, the lodge making up the deficiency.

All residents of the Home shall be kept neatly and suitably dressed. Except as hereinbefore provided, the clothing will be furnished by the Home; but when a resident has relatives or friends who are willing to furnish a part or all of such clothing, the same may be done under the direction and to the approval of the Superintendent.

Transportation.

Sec. 43. When an application has been approved by the Indiana Pythian Home Committee, and the lodge making the application is notified of the approval and that the Home is ready to receive the applicant, said lodge shall provide the means of transportation to the Home; and in case of the retirement of the applicant from the Home, or his or her dismissal therefrom, said lodge shall remove such person from the Home upon notice without unnecessary delay, and without expense to the Home.

Application to Committee.

Sec. 44. All applications for admission to the Home shall be delivered to the secretary of the Indiana Knights of Pythias Home Committee, who shall present such application to the committee, who shall promptly refer the application to the member of the committee who is most conveniently located to investigate the condition of the applicant. The report of the member making the investigation shall be in writing.

Changed Conditions.

Sec. 45. If, by reason of marriage or other changed relations or conditions of residents, the committee is satisfied that the Home should not longer take care of said resident, the committee reserves the right and authority to require any such resident to retire therefrom. The marriage of residents of the Home will be considered cause for retirement.

Concealment of Facts.

Sec. 46. Any person admitted to the Home under concealment or misrepresentation of facts, or who may be found to have any contagious, infectious or communicable disease of any kind, or who may fail to comply with the rules established for the government of the Home, or whose personal habits and conduct may be such as to disturb the peace and comfort of other residents, or endanger the discipline of the Home, shall be discharged therefrom and returned to the place from whence he or she came, at the expense of the nominating lodge, after ten days' notice thereto.

Children.

Sec. 47. In each case where either or both of the parents of a child admitted may be still alive, there shall be required a release by the father, if living, or by the mother, if the father be dead, yielding all authority and control over such child or children to the Home until such one shall have been discharged from the Home. The living parent shall make to the Indiana

Knights of Pythias Home Committee through the Superintendent each year a report attested by an officer authorized to administer oaths, showing the income of the father, or mother, for the preceding year, and when the income is sufficient, in the opinion of the committee, to enable the parent to provide for the support of the child outside the Home, the child or children of that parent then in the Home shall be discharged and returned to the nominating lodge, unless in the opinion of the committee there are circumstances which warrant the retention of the child.

Sec. 48. All children who may be entitled to the benefits of said Indiana Knights of Pythias Home, and for whom application shall be made therein, shall be surrendered absolutely by the parents, relatives or guardians, and placed under the exclusive control of said Home.

Sec. 49. All applications for admission to the Home shall be made by the subordinate lodge under the seal of the lodge. Such application shall be on forms prepared and furnished by the Grand Lodge, which shall state the name, age and sex of the applicant, and such other facts as show said applicant to be eligible under the provisions of these statutes; shall state that said application is authorized by a majority of the membership of said lodge present and voting, and at a regular convention thereof, and shall be addressed to the secretary of the Indiana Knights of Pythias Home Committee.

Sec. 50. The application must show whether the child has any property, and if so and no guardian has been appointed, the Home Committee shall see that some suitable Pythian is appointed guardian to take charge of said property, the application not to be acted upon until said guardian is appointed and has taken charge of the property.

No application shall be granted unless the requirements of the foregoing articles are complied with, and all questions are fully answered, lodge agreement entered into, and certificates of examining physician secured.

Sec. 51. All children residents of the Home shall at the option of the Home Committee be retained in the Home until they shall reach the age of eighteen years, at which time they may be returned to the lodge from which they were received, at the expense of said lodge, or may be located as the Home Committee decides. Immediately after any resident of the Home shall attain the age hereinbefore mentioned, and it shall have been decided by the Home Committee to return to the lodge such resident, it shall be the duty of the secretary to notify the lodge of the fact, and also the amount necessary to return said resident to the desired destination, making formal demand for the amount, when it shall be the duty of the lodge so notified forthwith to send the amount necessary to the secretary of the Home Committee.

Visits.

Sec. 52. Permission may be granted by the Superintendent at his discretion for a resident of the Home to visit relatives or friends for such time as the Superintendent may deem advisable, provided funds to bear the expense of such visit are first sent to the Superintendent for that purpose.

Property.

Sec. 54. Adult persons admitted to the Home shall assign to the Home all right and interest in all sick or funeral benefits or both that may become due them from all other fraternal organizations to which they may belong. Sec. 55. When a member of a subordinate lodge shall have been admitted to the Home, said lodge shall be required to keep him in good standing and in possession of an official receipt.

Sec. 57. Upon the death of a member who is a resident of the Home, the lodge of which he is a member shall be notified immediately. Sec. 58. On the death of a resident the Superintendent shall make a detailed inventory of the decedent's effects and file the same with the secretary of the Home Committee, and with it shall furnish data showing the expenses of the burial, the place of burial, and any other matters that might be of interest to the friends or relatives of the deceased, or of statistical concern to the Order.

Record.

Sec. 60. There shall be kept by the Superintendent a record of all the residents of the Home. Same shall be kept in a well bound book, in which book shall be recorded the name, age, sex, nativity, name of lodge and general family history of each resident and the date of their admission to and exit from the Home.

Document No. 33.

Chicago, Ill.
Sept. 20, 1927.

Mr. Carl R. Mitchell, G. K. of R. & S.
Indianapolis, Ind.

Dear Carl:

It is with the most profound regrets that I am tendering to you my withdrawal in the race for Grand Outer Grand. It has become necessary in order to keep my children all together, to make my home for some time at least, in the city of Chicago. I have two who are already here in the Chicago University and next year will have three, so the children and I after talking matters over have decided on the above move. Assuring you that I shall ever hold as dear, the friendship and loyalty of the brother Knights of the Grand Domain of old Indiana, and that you will express to them my very sincere, and best wishes when you announce the withdrawal of my name, I beg to remain as ever,

Faternally yours,

HARLEY A. SMOOT,
5818 Ridge Ave.,

in building and equipping the Pythian Home and pledged to the Grand Lodge and the incoming Grand Chancellor the support, the interest, and the desire for co-operation upon the part of all Pythian Sisters. Grand Junior Aikman was introduced and responded with a brief message. The messages of the visitors were greeted with prolonged and hearty applause. They retired and the session of the Grand Lodge was resumed.

Brother Harry Wade, President of the Insurance Department, was introduced and delivered a very interesting address relative to the work of the Insurance Department. He outlined the classes of insurance offered by the Department—ordinary life, twenty pay life, term insurance to the time of old age and other plans which provide a monthly income for the family, insurance which provides for double indemnity in case of death by accident, and provides for total disability through sickness or accident. Brother Wade stated that in addition to all of these, the Department now provides for cash loans and cash surrender values, making the Insurance Department a savings bank in addition to a source of protection. He spoke in detail of the extended insurance feature which continues certificates in force after payment of premiums has lapsed and under which many a brother's widow has received full payment on a certificate which she believed to be worthless. Brother Wade stated the Department has paid claims amounting to more than \$60,000,000.00 to the widows and orphans of deceased brothers and since 1908 has paid more than five and one-half millions of dollars to living members in the form of dividends or waived payments. He called attention to the free medical and physical examination offered to all members of the order and their families through the Board of Control of the Insurance Department and urged the members to avail themselves of this offer. The assets of the Insurance Department are in excess of \$21,000,000.00 invested in government and municipal bonds paying more than $5\frac{1}{4}\%$. All members were given a cordial invitation to visit the new Home Office building at St. Joe and Meridian streets, built especially to accommodate the needs of the Insurance Department. Brother Wade closed with an appeal for the co-operation of all members of the Grand Lodge in extending the protection

of the Insurance Department to the greatest possible number of members so as to assist them in providing ample protection for their dependents.

At the conclusion of his address relative to the Insurance Department, Brother Wade asked, and was granted the privilege of addressing the Grand Lodge on a personal matter.

He stated that twenty-three years ago he proposed to the Grand Lodge the erection of the building in which the present session of the Grand Lodge is being held. The Grand Lodge gave consent and authorized the committee to borrow \$450,000.00 on mortgage security. He related the steps necessary to clear the title to the ground so the building could be erected and stated the bonds were all sold and the Grand Lodge realized one hundred cents on the dollar from them. Three years ago he proposed the erection of a Pythian Home to care for the elderly members and their wives and the widows and orphans of deceased members. He predicted that in time the Pythian Building at Indianapolis would prove of great assistance in the maintenance of the Pythian Home and that when the time arrives, the original objective will have been accomplished, doing our duty toward our brethren and their dependents in accordance with our ritualistic teachings and beliefs.

Brother Wade thanked the Grand Lodge for the favors bestowed and for the privilege of having been a member of the committee that built the Pythian Building and of the committee that built the Pythian Home, and stated that he had always acted in accordance with what he believed to be right and for the best interest of the Knights of Pythias of Indiana. He stated it had been a great pleasure to have been associated with the men who composed the Pythian Home Committee, and that the work had been carried on in a most harmonious manner without a single unpleasant situation having arisen. He stated that his term would expire in one year but that there are many members of the Grand Lodge capable and desirous of serving on the committee and tendered his resignation as a member of the Pythian Home Committee effective at once.

Past Grand Chancellor Edgar W. Ellis of Columbus, Ohio, Recorder of the Supreme Tribunal, was intro-

duced. Brother Ellis was the guest of the Grand Lodge and was present to serve as a judge at the ritualistic contest. Brother Ellis presented the greetings of the Grand Domain of Ohio and spoke informally for a short time in a very interesting way.

Grand Prelate Aubrey Adkins of the Grand Domain of Kentucky, also a judge at the ritualistic contest, was presented and spoke briefly. In his remarks he paid high tribute to the new Pythian Home and the practical Pythianism that made it possible.

Col. Frank Shellhouse read the report of the Committee on Uniform Rank:

Document No. 35.

Indianapolis, Ind., October 4, 1927.

To the Officers and Members of the Grand Lodge Knights of Pythias of Indiana.

We, the Committee on the Uniform Rank, are glad to report that the condition of the Military Department of the Order Knights of Pythias throughout the domain, is seemingly more encouraging than for some time past. We feel that the tide has turned for the better. Companies are working with renewed interest and indications point to a large increase in membership during the next calendar year which eventually will bring the Department back to its former strength. We recommend that the Grand Lodge make the usual appropriation.

At the present time arrangements are being perfected to hold one of the old-time military encampments at Detroit, Mich., August 12, 1928, at which time and place, our Supreme Assembly and the Supreme Lodge Knights of Pythias will be in session.

We desire to congratulate General William B. Gray and staff, also regimental and company officers for the splendid showing made by the Brigade at the dedication of the Indiana State Pythian Home. They labored under many difficulties but their energy and enthusiasm to accomplish something worth while for the Order so dear to their hearts, proved more than successful. The field movements, flag and other ceremonies were beautiful and received the highest commendation from the thousands of Pythians and visitors present.

We take this opportunity of extending to the officers and members of the Grand Lodge our heartfelt thanks for encouragement and support and trust that we may merit a continuance of the same.

Fraternally and loyally submitted,

COLONEL FRANK SHELLHOUSE,
COLONEL S. H. SALTZGABER,

RESOLUTION.

Whereas, The Order of Knights of Pythias is a humanitarian organization and its members are, and should be, the champions and defenders of suffering humanity always and everywhere; and

Whereas, There are about six thousand lepers in the Culion Leper Colony in the Philippine Islands, some of whom are or have been members of this Order; and

Whereas, Medical science has now found a cure for leprosy, but it will require the expenditure of several millions of dollars for the erection and equipment of experimental laboratories and hospitals and rebuilding this leper colony and placing it in a sanitary condition; and

Whereas, The Supreme Lodge Knights of Pythias has authorized the appointment of a committee composed of U. S. Senators and members of Congress to urge the Congress of the United States to make a sufficient appropriation to care for these poor unfortunate people; and

Whereas, The Order of Knights of Pythias cannot engage in a greater work for humanity than the eradication of this most dreaded and most hideous disease; therefore be it

Resolved, by the Grand Lodge of Indiana Knights of Pythias, that we heartily approve the action of the Supreme Lodge authorizing the appointment of a committee to urge the Congress of the United States to make a sufficient appropriation for the care of these unfortunate people, and we hereby pledge our hearty support to this movement; be it further

Resolved, that every member of the Order of Knights of Pythias in this Grand Domain be urged to write to our Congressmen and Senators, urging their support of a bill providing for a sufficient appropriation by the Congress of the United States to build and equip hospitals, experimental laboratories and all necessary improvements for the proper care and treatment of the Culion Leper Colony.

That a copy of this Resolution be sent to each member of Senate and Congress from this state.

TUBERCULOSIS FACTS.

Approximately 1% of entire population is afflicted with it (From T. B. Association statistics.)

.8 of 1% of population die with disease.

Approximately 7,000,000 Pythians—mean 7,000 active cases within Order, not all of course require sanatorium care.

Many hundred Pythian cases now in Southwest and Western sanatoria.

High rates of private sanatoria prohibitive in most cases.

In New Mexico alone—Pythians of that Domain—caring for more than 25 destitute cases from other states.

Requires a lodge strong financially to carry expense of one patient—to distribute expense—would be very slight.

Dr. Frank A. Priest, S. R., Indiana, is Chairman of Supreme Lodge Committee to investigate need—attached copy of wire indicates their findings.

Many states have adopted resolution similar to one attached which was adopted unanimously at Illinois Grand Lodge Convention last week.

No Grand Lodge to which it has been presented this year has failed to adopt it.

Referred to Committee on State of the Order.

It was moved by Grand Keeper of Records and Seal Mitchell that inasmuch as this resolution had been introduced by the members of the Committee on Finance, to whom it would ordinarily be referred, that the resolution be adopted.

The motion was duly seconded and carried and the resolution was adopted.

Chairman Othniel Hitch of the Committee on Dramatic Order Knights of Khorassan read the report of that committee, and after its adoption made a forceful address in presenting the merits of the "Dokies," concluding with an invitation to all present to become members and participate in the ceremonials, drills and other activities of the Temples of the D. O. K. K.

Document No. 40.

To the Grand Lodge Knights of Pythias, Grand Domain of Indiana:

Your Committee on Dramatic Order Knights of Khorassan begs leave to submit the following report for the year last past.

Indiana has only two constituted D. O. K. K. Temples in this state, namely Shambah Temple No. 139, of Indianapolis, and Tirzah Temple No. 233, of Evansville. Shambah Temple reports a net gain of 12 members for the current year and Tirzah Temple reports no loss. We therefore did not lose in membership in the face of these troublous times.

Owing to the State Contest scheduled for this evening the annual Grand Lodge Ceremonial was held last night by Shambah, and the nucleus of a Crescent or "baby" temple was started for South Bend, Indiana, by 14 brave Knights crossing the desert to the oasis where Zem Zem ever flows.

Your committee further reports the extraordinary situation of not spending a single penny appropriated last year for D. O. K. K. extension work though considerable work and energy has been expended by your committee.

It goes without contradiction that the D. O. K. K. is one of, if not the very best advertisement, for the future of Pythianism. Social activities breathing the spirit of play and good fellowship are characteristic of this Order and we are firmly of the opinion that additional temples should be established, with recommendations for the following cities, Fort Wayne, South Bend, Terre Haute, New Albany, Lafayette and the Calumet district. It would add the flash, the color and the spirit now needed so badly and a temple in these cities would serve to furnish a real playground for Pythianism.

Progress is necessarily slow but this next year bids fair and the work already started should be continued. We recommend that this national organization be given every incentive possible and in order that your interest may not wane we call your attention to the fact that \$50,000.00 has been laid aside as a national educational fund for the youth of our Order and mayhap some orphan from our fair state will profit by this philanthropy.

Your committee recommends that the same amount of money appropriated last year be continued this year and that an intensive program for extension work be mapped out and carried on to increase the number of temples of the Dramatic Order of Knights of Khorassan whose motto is "Lift up the Fallen."

Respectfully submitted,

OTHNIEL HITCH.

C. ROBERT MUELLER.

Grand Chancellor Elmore declared Brothers Dore B. Erwin, Nathan J. Lane and Dr. F. A. Priest duly elected Supreme Representatives for the ensuing four-year term.

Grand Chancellor Elmore declared Brother W. W. Crooker duly re-elected to the office of Grand Lodge Trustee for the ensuing three-year term. It was moved by Dr. E. S. Denbo that the election of Brother W. W. Crooker be made unanimous. The motion was duly seconded and carried unanimously.

Grand Outer Guard-elect Dunbar was called for and responded briefly.

It was duly moved, seconded and carried that the Grand Lodge adjourn until nine o'clock Wednesday morning.

SECOND DAY—FORENOON SESSION.

The Grand Lodge convened at 9:00 a. m. with the Grand Lodge officers and a majority of the members present. Grand Chancellor Elmore was in the chair.

A recess was declared immediately and Mrs. Florence Riddick Boys, State Probation Officer, was introduced.

Mrs. Boys spoke in a very interesting manner of the work among delinquent children carried on through her department.

The Grand Lodge session was resumed and Grand Chancellor Elmore introduced Rev. John M. Francis of South Bend, formerly Grand Prelate of the Grand Lodge of Iowa. Brother Francis delivered a brief greeting. He is now a member of Crusade Lodge No. 14 at South Bend.

Supreme Representative-elect Dore B. Erwin addressed the convention briefly, expressing appreciation of the vote accorded him in the election.

Grand Chancellor Elmore announced receipt of a cablegram from Brother Ralph K. Sines of Apollo Lodge No. 62, Logansport, who was in Europe attending the American Legion convention. The cablegram with its one all-embracing word was sent from Brussels, Belgium, and was an eloquent reminder that the several thousand miles had not caused Brother Sines to forget Pythian affairs in Indiana.

Grand Keeper of Records and Seal Mitchell read a letter of thanks and appreciation from Dr. F. A. Priest, Supreme Representative:

Document No. 48.

Marion, Ind., October 4, 1927.

Mr. Carl R. Mitchell, G. K. R. S.,
Indianapolis, Indiana.

My Dear Carl—Some of the boys just phoned me that I was elected Supreme Representative. I am very grateful and so extremely sorry that I can not be present in person to thank them. They have made me very happy, but in my happiness there is also a regret and that is that such good friends and loyal Pythians as Billy Morris and Chas. L. Pulliam must be defeated that I might win. Please give them my kindest personal regards and assure all the boys I fully realize that they have increased the debt of gratitude I owe to them, but through Love and Pythian Service I shall try to, in part, discharge the obligation.

The Pythians of Indiana have been so kind to me in the past and now this added joy makes me feel very keenly the debt of Love I owe them—for it is I who am their debtor.

Again asking that you express to all my deep appreciation, as well as my regret that I was not physically able to be with them but that in spirit I am really with them, I am,

Very truly and fraternally your brother,

F. A. PRIEST.

Printed pamphlets containing the pending legislation having been distributed to the members of the Grand Lodge the consideration of amendments to the statutes and new statutes was commenced.

Grand Keeper of Records and Seal Mitchell read the report of the Committee on Judiciary on Document No. 11:

After explaining that the purpose of the proposed amendment was to remove any question about the payment of one dollar per year additional by members of Carnahan Lodge No. A, said dollar to go to the Pythian Home tax fund, Brother Mitchell moved that Section 9 of Article IV of Section 264 of the statutes be amended as read. The motion was seconded and carried.

Committee.

It was stated that this amendment, together with the two which follow it, was designed to remove from the statutes the compulsory requirements and order of business for district meetings so that the Grand Chancellor and District Deputies with the entertaining lodges could work out district meetings along entirely different lines if they desired. This amendment also authorized the holding of officers' conferences at the discretion of the Grand Chancellor.

It was moved by Grand Keeper of Records and Seal Mitchell, seconded and carried that Section 163 be amended as read.

The report of the Committee on Judiciary on Document No. 14 was read:

Brothers: Your Committee on Judiciary, to which was referred Document No. 25, the same being a proposition relative to amending Section 3 of the Grand Statutes relative to Grand Lodge elections, beg leave to report that we have given the same our careful consideration; and we recommend that the same be passed.

HOWARD T. BROCKWAY,
HENRY S. BAILEY,
Committee.

On motion, duly seconded, the report of the committee was adopted.

It was explained that in the event the Grand Lodge should desire to visit the Pythian Home at Lafayette in a body at future conventions of the Grand Lodge, the only satisfactory time for such a trip would be on Tuesday afternoon. No legislation can be considered on the first day of the session, and the election of officers is the only fixed business of importance at the Tuesday afternoon session. The purpose of the amendment is to change the hour of electing officers of the Grand Lodge from Tuesday afternoon to Wednesday morning at ten o'clock.

On motion, duly seconded, Section 3 of the statutes was amended as read. There was no discussion of the amendment and no negative votes.

The report of the Committee on Judiciary on Document No. 15, the same being the Pythian Home laws, was read:

Document No. 56.

to amending Chapter A of the Grand Statutes by adding new sections relative to admission of residents, government, management, and maintenance of the Pythian Home and introduced by Harry Wade and others, beg leave to report that we have given the same our careful consideration; and we recommend that the same be passed after having been amended by inserting the words "except as hereinafter provided" after the word "support" in line 9 of Par. A of Section 20, and by inserting the words "the chairman of" after the word "interim" in the next to the last line of Section 22, and by changing the words "Indiana Knights of Pythias Home" wherever same occur throughout these statutes to the words "Indiana Pythian Home."

ROBERT G. MILLER,
S. C. DWYER,
HOWARD T. BROCKWAY,
Committee.

It was moved and duly seconded that the report of the committee be adopted.

Past Chancellor Griffith D. Dean of No. 103 moved to amend Document No. 15 by striking out Sections 19 to 59, inclusive, and substituting therefor new sections which he prepared to read. The motion to substitute was duly seconded. A point of order was raised and Grand Chancellor Elmore ruled that the motion to substitute was out of order and that the question was on the adoption of the report of the Committee on Judiciary. A vote was taken and the report of the Committee on Judiciary was adopted.

Grand Master of Exchequer Kammerer moved that the convention proceed with the adoption of the document section by section. The motion was duly seconded and carried.

Past Chancellor Dean again moved to amend Document No. 15 by striking out Sections 19 to 59, inclusive, and substituting his proposition therefor. The motion was duly seconded.

Grand Chancellor Elmore ruled that the convention had by motion ordered consideration section by section and amendments could be offered as each section was considered.

Past Chancellor Chester M. DeWitt of No. 33 moved to reconsider the motion to consider section by section, stating the proposed substitute document was so interwoven that it would be impossible to make the amendments section by section. The motion to reconsider was duly seconded and carried.

The question of whether the Pythian Home legislation as printed be considered section by section or whether it should be considered as a whole and the proposed substitute document be considered was discussed by the following members of the Grand Lodge: Supreme Representative Bassett, Past Chancellor DeWitt of No. 33, Past Chancellor Snyder of No. 92, Past Chancellor Brown of No. 164, Past Chancellor Hitch of No. 51, Past Chancellor Mann of No. 403, Past Chancellor Metsker of No. 51, Past Chancellor Wolfe of No. 103, Past Chancellor Greene of No. 27, Past Chancellor Hale of No. 129, Grand Tribune Garrison, Past Grand Chancellor Tindall and Supreme Representative Gaylor.

Supreme Representative Bassett raised the point of order that under the provisions of Section 381 of the Grand Statutes the Grand Lodge can not consider legislation that is not introduced on the first day and is not printed and distributed on the morning of the second day; that Brother Dean's proposition is new legislation and should have been introduced on Tuesday, and would then have been printed and in the hands of the members of the Grand Lodge.

Past Chancellor DeWitt raised the point of order that a proposition may be amended in any of three ways—by striking out, by adding to, or by substituting, and that the proposition of Brother Dean was to substitute.

Past Chancellor Wolfe of No. 103 raised the point of order that the whole proceeding was out of order until the proposition had been read to the Grand Lodge and then the method of adopting could be determined.

It was suggested by Grand Tribune Garrison that all points of order and motions be withdrawn and permission be given for the reading of Brother Dean's proposition, after which the manner of consideration be decided.

All points of order and motions to amend were withdrawn, and it was moved by Past Grand Chancellor Tindall, seconded and carried that the whole matter be laid on the table until after the substitute proposition had been read.

The proposition offered by Past Chancellor Dean was read to the Grand Lodge by Grand Keeper of Records

and Seal Mitchell. It was not formally introduced either as a document or as an amendment.

Grand Chancellor Elmore announced that the original motion to adopt Document No. 15, section by section, was before the house. The question was discussed by Past Chancellor Dickerson of No. 81, Past Chancellor Gardner of No. 210, Past Grand Chancellor Remy, Past Chancellor Dean and Past Grand Chancellor Lane.

The previous question was moved by Supreme Representative Gaylor. The motion was duly seconded and carried. The original question was put and carried to consider Document No. 15 section by section.

It was moved by Past Chancellor Dickerson of No. 81, seconded, carried and duly ordered by the Grand Chancellor that the Grand Lodge recess until one o'clock.

SECOND DAY—AFTERNOON SESSION

The Grand Lodge reconvened at one o'clock with the Grand Lodge officers and a majority of the representatives present. Grand Chancellor Elmore was in the chair.

Supreme Representative Thomas L. Neal called attention to the fact that Past Chancellor Cyrus F. Reed of Franklin Lodge No. 22, Bloomington, had been a member of the Grand Lodge for fifty years and introduced Brother Reed to the convention amid hearty applause.

A message of greeting from the domain of Illinois was read:

Document No. 57.

Springfield, Ill., October 5.

Louis B. Elmore, Grand Chancellor; Carl R. Mitchell, Grand Keeper of Records and Seal, Indianapolis.

Greetings from Illinois. May your convention be both harmonious and prosperous and result in great benefit to our Order. Pythians of Illinois will long remember the entertainment provided by your Grand Chancellor and the wise counsel of the best Grand Keeper of Records and Seal.

Fraternally yours,

AL DOUGLASS, G. K. R. S.

Consideration of Document No. 15 was resumed and Grand Keeper of Records and Seal Mitchell commenced reading the document to the Grand Lodge. It was moved by Supreme Representative Gaylor that further reading be dispensed with and the convention proceed to the consideration of the document section by section. The motion was duly seconded. It was moved by Past Chancellor Duvall of No. 8 to amend the motion to continue the reading. The motion to amend was duly seconded and lost. The original motion was put and carried.

Section 19 was read. It was moved by Supreme Representative Bassett, duly seconded and carried that Section 19 be adopted.

Section 20 was read. It was moved by Grand Master of Exchequer Kammerer that Section 20 be adopted. The motion was duly seconded. Past Chancellor Frank R. Hale of No. 129 moved to amend Paragraph A of Section 20 by striking out the words "and who have been members in good standing for a period of at least five years next preceding the date of their application for admission to the Home" commencing in line 4. The motion to amend was duly seconded. The question was discussed by Past Chancellor Hale, Grand Master of Exchequer Kammerer, Past Chancellor Royse of No. 269, Past Chancellor Martin of No. 45, Past Grand Chancellor Morris, Supreme Representative Bassett, Past Chancellor Vincent of No. 339, Past Chancellor Shoff of No. 117, Past Chancellor Sharpe of No. 414 and Past Chancellor Bayless of No. 127. The motion to amend was lost on a viva voce vote. A division of the vote was called for and, on a standing vote, the motion again lost. The original motion was then put and Section 20 was adopted as originally read.

Section 21 was read. It was moved and duly seconded that Section 21 be adopted.

Past Grand Chancellor Remy moved to amend Section 21 to read as follows:

Document No. 58.

Sec. 21. The management of the Indiana Pythian Home shall be under the direction of the Superintendent appointed by the Indiana Pythian Home Board of Directors consisting of the Grand Chancellor, Grand Vice-Chancellor, Grand Keeper of Records and Seal, the Grand Trustees and the retiring Grand Chancellor, who shall serve for a period of one year from the date of his retirement, and he shall have full control of same,

subject to the supervision of the Board of Directors. It shall be his duty to see that the rules and regulations adopted by the Board of Directors are strictly complied with; to maintain order, regularity and proper regard for the constituted authority in a firm but kindly spirit, and to use his best endeavor to promote the happiness of those committed to his charge, and to make of the institution of which he is the head what its name implies—a HOME. He shall be assisted by the Matron, and such other officers and employees as the Indiana Pythian Home Board of Directors may employ.

The motion to amend was duly seconded.

Brother Remy addressed the convention in favor of the amendment. He pointed out that the object of the change was to place the management of the Pythian Home in the hands of a board composed of seven duly elected officers of the Grand Lodge. He commended the committee which built the Pythian Home, but pointed out that they were appointed, not elected, and made a plea to keep the Pythian Home out of politics by placing it in the control of men elected to office, not appointed.

Supreme Representative Bassett spoke in favor of leaving the management of the Home in the hands of the committee which built it and was familiar with all phases of its construction, equipment and planning.

Supreme Representative Neal spoke in favor of the amendment and in favor of a board of elective officers.

Supreme Representative-elect Lane addressed the Grand Lodge in support of the section as printed and against the amendment. He related some of the problems faced by the present committee in getting in enough funds to start building, and stated that the committee was created by statute to "build, equip, establish and maintain" the Home and that the work of the committee was not yet finished. He urged that a change of this kind should not under any circumstances be made before next year. He stated that the problems of operating the Pythian Home were great enough to require the attention of a separate committee, that the Grand Trustees have a great responsibility and are doing a noble work in handling the Pythian Building.

Past Grand Chancellor Gaither stated that he was strongly opposed to the amendment and that he was opposed to the centralization of too much power. He said that under this amendment no one would ever be

eligible to serve on the Home Board unless he had first been elected to one of the Grand Lodge offices mentioned in the amendment, and that he felt there were scores of men on the floor of the Grand Lodge and in the subordinate lodges who are qualified to serve and would be eligible under the original section as printed.

Past Chancellor Snyder of No. 92 and Past Chancellor Little of No. 254 also discussed the subject-matter briefly.

The question was put on the amendment offered by Brother Remy and the same was carried. The question was then put upon Section 21 as amended and the same was adopted.

Section 22 was read and a motion was made and duly seconded that the same be adopted after changing the words Indiana Knights of Pythias Home Committee wherever they appear to the words Indiana Pythian Home Board of Directors. The motion was carried and Section 22 was adopted.

Grand Chancellor Elmore presented Supreme Chancellor Richard S. Witte of Milwaukee and the business of the hour was laid aside while the Grand Lodge listened to a rousing Pythian address delivered in Brother Witte's inimitable style. The Supreme Chancellor reviewed present-day conditions and problems throughout the Order and spoke of the several departments and auxiliaries, all of which received his strong commendation. He paid a high compliment to the Grand Domain of Indiana, dwelling in particular upon the magnificent Home just completed. He spoke of the thousands of former members who should be brought back to the fold and made a strong appeal for closer co-operation and more effective efforts in subordinate lodge activities.

Consideration of Document No. 15 was resumed. Supreme Representative-elect Erwin moved that in each section where they appear, the words Indiana Knights of Pythias Home be changed to Indiana Pythian Home and the word committee changed to Board of Directors. The motion was duly seconded and carried. Brother Erwin then moved that all the remaining sections of Document No. 15 be adopted as a whole. The motion was duly seconded. The last motion was withdrawn as a number of other amendments were to be offered.

Brother Kammerer moved the adoption of the amendment to Section 61. The motion was duly seconded and carried.

Grand Vice-Chancellor Farr proposed the adoption of a new section to be numbered 21a to read as follows:

Sec. 21A. Any vacancies which shall occur in the Indiana Pythian Home Board of Directors from resignation, death or other cause between the sessions of Grand Lodge shall be filled by the appointment thereto of some member of the Grand Lodge by the Grand Chancellor.

On motion, duly seconded, the new section was adopted.

SAMUEL L. TRABUE, G. P.

Grand Keeper of Records and Seal Mitchell moved the adoption of the resolution. The motion was duly seconded and carried.

The report of the Committee on Finance was read:

Document No. 63.

September 30, 1927.

To the Grand Lodge Knights of Pythias, Grand Domain of Indiana:

Brothers: Your Committee on Finance begs leave to report that it has examined the books and other records of Brother Carl R. Mitchell, G. K. R. S., for the fiscal year ending June 30, 1927, and found them correct, with the books and other records properly kept and all money received and disbursed properly accounted for.

The books and other records of Brother Henry Kammerer, G. M. of E., for the fiscal year ending June 30, 1927, showed the books and other records properly kept, and all money received and disbursed properly accounted for.

The books and other records of the Grand Lodge were found in excellent condition despite the fact that the office was confronted by a large volume of extra work as a result of the extra work the Pythian Home has added to the work of the G. K. R. S. In this connection it is but just and proper to commend highly the Grand Chancellor, Louis Blanchard Elmore; the Grand Keeper of Records and Seal, Carl R. Mitchell, and the Pythian Home Committee for their loyalty, promptness and efficiency in this noble work.

All of the books and records in connection with the Pythian Home collection, the tornado and the Mississippi flood funds have been examined by your committee and found correct, with all the money properly accounted for.

An invoice of supplies and stock in the office of the G. K. R. S. corresponded with the book inventory in that office. Your committee has also audited the books and other records of

Carnahan Lodge "A," found the books and other records and the money properly accounted for and in the Grand Lodge funds.

Your committee has examined all of the books and other records in the office of the Building Manager of the Pythian Building, Brother Adolph Biccard, and found them correctly kept, with all the money received and disbursed properly accounted for. The building is in first-class condition and few vacancies exist in the building at this time. In this connection, Brother Biccard is deserving of high praise in keeping the building rented. Credit is also due the Trustees for their interest in the welfare of this building.

HOWARD J. TOOLEY,

On motion, duly seconded, the report was adopted.

The reports of the committees on Judiciary, Finance and State of the Order on the printed reports of the Grand Lodge officers were read:

The report of the Committee on State of the Order was read:

Document No. 67.

To the Grand Lodge Knights of Pythias, Grand Domain of Indiana:

Your Committee on State of the Order respectfully submits the following report:

While the Order throughout the Grand Domain of Indiana has suffered another considerable loss in membership, the general condition of the Order in this Grand Domain has improved during the past year, due partly to the fact that the Order has something definite and tangible to point to and work for in the new Pythian Home. Rather than a cause for alarm, the loss in membership should be an incentive to spur the officers of subordinate lodges to greater effort in preventing this severe loss for suspension for nonpayment of dues and in paying more attention to the reinstatement of suspended members.

The general financial affairs of the Order in this Grand Domain appear to be in excellent condition in all of its various departments.

We wish to commend the practice of holding the district meetings as soon as possible after the adjournment of Grand Lodge and would commend to the incoming Grand Chancellor a continuance of the practice.

Reports that have come to the committee from over the Grand Domain are to the effect that the officers' conferences that were held at various places during the past year were also a great help and inspiration to the officers of the subordinate lodges and aided materially in solving perplexing problems that confronted them.

The ritualistic contests that have been held throughout the Grand Domain during the past year have proven to be a remarkable benefit in the improvement of the ritualistic work of subordinate lodges and in creating a new interest among the members in the beauties and lessons of the ritual as it is written. For our sister Order, the Pythian Sisters, we have nothing but words of highest praise. Theirs has been a notable example of loyalty to the cause of Pythianism in all its various phases.

The Insurance Department, the Uniform Rank and the D. O. K. K. have proven themselves to be invaluable assets, as integral units in the general promotion of the cause of Pythianism, and we urge their support by all members of subordinate lodges.

The completion of the Pythian Home has marked an epoch in the history of Pythianism in the Grand Domain of Indiana. All

of those who have worked untiringly toward that end are entitled to the wholehearted thanks of the entire membership, and it should serve as a stimulus in securing new members.

We commend the Grand Lodge officers for their untiring efforts in all things that were for the advancement of Pythianism in this Grand Domain.

CHARLES S. BOWMAN,

E. S. DENBO,

P. R. BAUSMAN,

Committee.

On motion, duly seconded, the report was adopted.

The report of the Committee on Insurance was read:

Document No. 68.

To the Grand Lodge Knights of Pythias, Grand Domain of Indiana:

Brothers: We, your Committee on Insurance, wish to make the following report:

On August 7, 1927, our Insurance Department celebrated its Golden Anniversary, completing a half-century of service to members of our Order and to Pythian dependents. A record which shows every promise was fulfilled, with every obligation discharged promptly and in full, our Insurance Department presents an unbroken service to the parent Order which may well be the pride of every member.

We are proud of the growth of our Insurance Department to its present place in the insurance world. Everywhere it is regarded as one of the strongest insurance societies in America as well as one of the most serviceable. Its management, purely Pythian, is efficient and economical, and yet possessed of that liberality and directness which gives an immediate relief at a time when the condition of the home demands prompt action.

As Indiana Pythians we may be more proud of its record, because it has in a large measure been nurtured and developed within our Jurisdiction. It was instituted here, began its early struggles under the then existing plans of protection, to minister to Pythian need. In later years, when the organization had been more perfected, it came back to Indiana, and here it has developed an economic plan of insurance positively equal to life insurance obtainable anywhere. Indiana Pythians have also contributed largely towards its growth.

For twelve years the guidance of our Department has been in the hands of President Harry Wade, its magnitude has been increased with the years and its relation to the Order grown more personal until it is now meeting the need of every Pythian family and providing home protection comparable with any insurance contract and at a much less cost. Seven plans of insurance, broad and liberal in application, are offered by our Insurance Department. These plans have all the features of older certificates and also provide cash loans, cash surrender, total disability and double indemnity. With these provisions and extended and paid-up insurance, participation in the monthly waived payments and the advantage of monthly payment of cost, Pythian insurance is placed in a class by itself so far as the interest of the Pythian family, the member himself and his purse is concerned.

Our Department has worked day and night, year after year, pouring out a stream of gold to feed and clothe the orphan, to protect the widow from worrying want and to hold intact a home which otherwise would be broken up and its members scattered to find food and shelter. In fifty years this distribution has amounted to nearly \$2,000,000 paid to Pythian dependents in Indiana. More than \$100 every day for half a century has found its way to the homes of sorrow to aid the struggling wife and mother, left to fight alone, to keep her home intact and her children under the home roof where love and devotion and sacrifice of a mother became the guiding star in the formation of character which later came to ripe and serviceable citizenship.

Brethren, no words of ours can fully describe this miracle work among us, no imagination can conceive of its value and real worth in Pythian economy, but we may sum up its merits and value to the Pythian and his family when we say in all sincerity that our Department is paying big dividends in human happiness and wonderful returns to the Pythian household upon an insignificant investment. In Indiana we have seven thousand members who have eight million dollars of protection for their homes. This has a real meaning to every member who visions the great economic problems affecting our Order, our State and our Nation. No matter what may be the financial condition of these Pythian homes, we can rest assured that in these seven thousand households no want will stalk over the threshold when the great tragedy comes and the breadwinner is taken. Eight million dollars will be paid immediately and it may be a safe conjecture that none of the children in these homes will be forced to leave school to labor for bread, and few, if any, will ever seek entrance in our Pythian Home.

Our Department is a potent force in the advancement of our fraternity as well as in the protection of our homes. The insured member is a permanent member. Our lapsation problem will be solved when all our members are also members of this Department. We most sincerely urge every member to acquaint himself with its benefits and urge the economic necessity of life insurance. You and your family will be deriving the full benefits of Pythian membership only when at least a part of your home protection is vested with the Department.

We are glad to report that our Department has the confidence and support of our membership all over the Supreme Domain. Its financial strength has increased with its growth. There is no question as to its permanence and stability. A full reserve, meeting legal requirements, amounting to more than \$20,000,000 guarantees payment of every claim upon maturity. We urge every member to acquaint himself of its service, its low rates, its absolute guarantee of payment, its solid foundation, its broad and liberal terms, and we feel sure that no member in Indiana will disregard the claim it makes for recognition.

Grand Inner Guard Hooker moved that a rising vote of thanks be given to the members of the Building Committee of the Pythian Home. The motion was duly seconded and the motion was carried as all members rose to their feet.

Past Chancellor Snyder of No. 92 spoke briefly, saying that in his opinion the Board of Directors of the Pythian Home could not do better than to select retir-

ing Grand Chancellor Elmore as Superintendent of the Home.

Grand Keeper of Records and Seal Mitchell referred to his printed report in which he had made several suggestions relative to the method of compiling the journal of proceedings of the Grand Lodge convention, and asked for comment by the Grand Lodge as to just how this year's journal should be prepared; whether all speeches and discussion on legislation should be printed verbatim, whether some of the statistical matter should be omitted. He stated this is the only Grand Lodge that attempts to print a verbatim stenographic report and that the Supreme Lodge does not print such a report. He stated Indiana has the finest journal in the Supreme Domain, but that it costs many hundreds of dollars to produce the report and asked if it was worth the cost to this Grand Domain. There was some discussion of the matter by Past Chancellor Hitch and Past Grand Chancellor Morris. It was moved by Brother Hitch, duly seconded and carried that the Grand Chancellor and Grand Keeper of Records and Seal be empowered to decide these points, using their judgment as to the manner of recording the discussion and action of the convention.

Grand Chancellor Elmore introduced Past Grand Chancellor Jacobson, who served as Grand Chancellor of the Dakota territory before the separate Grand Lodges of North and South Dakota were created. Brother Jacobson spoke briefly.

Grand Chancellor Elmore announced the appointment of Judge George A. Williams of Rensselaer Lodge No. 82 to be a member of the Grand Tribunal for a term of five years, succeeding Brother James P. Goodrich, whose term expired. It was moved by Supreme Representative Gaylor that the appointment be confirmed. The motion, duly seconded, was put by the Grand Keeper of Records and Seal and carried.

Grand Chancellor Elmore appointed Supreme Representative Gaylor as installing officer.

Supreme Representative Gaylor assumed the chair and appointed Supreme Representative-elect Erwin as Supreme Prelate, and Supreme Representative-elect Lane as Supreme Master-at-Arms.
